# NOT IN MY NAME

As of this writing it looks like we will be going to war with Iraq. According to President-select Bush, we are doing this because Saddam Hussein is evil, because he harbors weapons of mass destruction and because he supports terrorism. While I agree that Hussein is a bad guy, there is little if any evidence for the other claims, and the fact that a country is being led by a bad dictator has never before been reason to launch a preemptive attack against it.

In actual fact, if we do go to war, it will be for Unocal, Chevron, Exxon and the rest of the oil-igarchs who covet this petroleum-rich region. This will be done under the aegis of a global strategy first formulated by Dick Cheney for George the First, now handed down to the son. According to the declassified Defense Strategy for the 1990s, office of the Secretary of Defense, the strategy is simply for the United States to rule the world. As David Armstrong reported in the October 2002 edition of *Harper's*, "The overt theme is unilateralism, but it is ultimately a story of domination....It calls for domination over friends and foes alike."

The rest of the world knows this. France and Russia suspect that their multimillion-dollar oil contracts with Iraq will disappear once we capture Baghdad. Our allies in Western Europe cringe as Bush threatens to make the United Nations irrelevant. And experts on the Middle East warn that new Arab terrorists will be created by the slaughter of women and children in a war that will most probably violate international law.

Most importantly there are our own men and women in the military. I don't want to see a single drop of American blood shed for a policy that is designed to enrich oil corporations and make us the big bully on the block. This isn't what America stands for. So, as regards this war, I say no—not in the name of the American people who are overwhelmingly against it, according to recent surveys, and most emphatically, as a person who has served his country twice, not in my name.

## Lust for Lindy

Hats off to you for an excellent Holiday 2002 issue. I love tall, skinny girls, and this issue of HUSTLER gave me three to drool over. First, there was the lovely, red-socked waif in the ad parody ("Suc's Hard Lovin'"). Next was Cintia (*Cintia and Billy: Full Intercourse Meal*), who made me violently jealous of her partner Billy, and photographer Clive McLean for that matter. Last but not least was the lithe Miss Lindy (*Lindy Baby*). All I can say is, "Wow!" I know that I can see Cintia in HUSTLER videos, but where can I find more of Santa's helper and Lindy?

—T. K.
via Internet

**The babe in the ad parody is the porn star Kaylynn. She's never starred in a HUSTLER video, but her performance in *Flesh Hunter 2* (Evil Angel Video) is highly recommended. Lindy's long stems can be seen in the August 2002 LEG WORLD. Call (877) 325-6464 to order a back issue.**

## Bad Vibrations

In the study of meditation, I've learned that the animated imagination is generated by the light of the third eye, between the eyebrows, which contains real energetic life force and the potential to heal ourselves and others. The practice of praying for others is utilized all around the world. It stands to reason that if we can heal people with our minds, there is also the potential to do harm. I think that sexual fantasy may spiritually violate the person being imagined. I'm sure there are many good men out there who would choose not to fantasize about women if they thought that they might cause harm. If masturbation is necessary, it should be done without visualization. I offer my sincere apologies to any women I may have harmed with my sexual fantasies.

—C. B.
Boulder, Colorado

**Wow, C. B. That's some heavy bullshit you're laying down. Maybe we're evil or something, but all your crazy psychic talk made us think of how cool it would be to do a XXX version of *Carrie* with a surprise *bukakke* in the final prom scene. If this entails causing spiritual harm to the performer in question, we suggest Anne Heche for the starring role.**

## Anti-*Jackass*

I'm returning my copy of the story about Steve-O stapling his scrotum to his leg (*The Houdini of Idiots*, Holiday 2002 HUSTLER). I think I speak for most readers when I say that I definitely don't want to see this kind of thing in HUSTLER. I know you guys are known for pushing boundaries, but the last time I checked, HUSTLER was a heterosexual magazine. Straight guys don't want to look at this kind of shit.

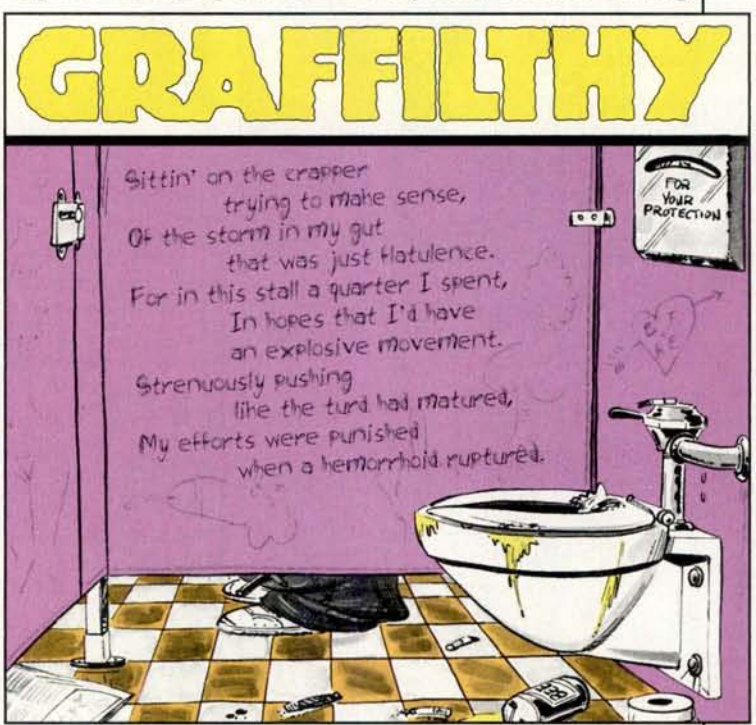
—T. B.
Spokane, Missouri

**Your complaint is noted, T. B., but we really don't see what's so gay about running a couple pictures of a guy stapling his nut sac to his thigh. Maybe we should rethink our upcoming photo re-creation of William Burroughs's story about the man who taught his asshole to talk.**

LINDY BABY

## Another Believer

I'm a longtime subscriber. After reading Tracy R. Twyman's story *The Stepford Whores* (December 2002 HUSTLER), I intend to continue reading your magazine for a long time. I can relate to what the story's victim, Cathy O'Brien, had to say. In 1995 I found two small holes burned into my upper right thigh. I went to a hypnotherapist to figure out what happened to me, but I think he was working with the intelligence community to push the "gray alien" cover-up story. I have dislocated memories of strange trips to residential houses and municipal buildings. I remember being put in a mock battle in a virtual-reality environment. Helicopters routinely buzz over my house. It's all very fucking creepy. Anyway, I know this all sounds like a crazy rant, but after reading



GRAFFILTHY
Sittin' on the crapper
trying to make sense,
Of the storm in my gut
that was just flatulence.
For in this stall a quarter I spent,
In hopes that I'd have
an explosive movement.
Strenuously pushing
like the turd had matured,
My efforts were punished
when a hemorrhoid ruptured.

your story, I feel like there just might be a light at the end of this long, shit-infested tunnel. Thanks. —J. A.
via Internet

**We're glad you found comfort in the story, J. A. You can count on HUSTLER to keep sniffing out the stories that other magazines are too chicken to chase.**

## Stuffing the Box

Please allow me to cast a thousand *Beaver Hunt* votes for Michele from Fort Lauderdale, Florida (November 2002 HUSTLER). Her pouty lips and nicely trimmed beaver make her my favorite amateur by far. Before I go, I have one question: Who's the girl standing next to Sunset Thomas at the Porn Walk of Fame ("Good Night, Sweet Prints," *Bits & Pieces*, December 2002 HUSTLER)? She's hot.
—E. A.
Melbourne, Florida

**Consider your votes cast (sorry, though; only one vote per Beaver, even for you Floridians). The looker next to Sunset Thomas is her niece, Sunrise Adams, who is also a porn star. Check out the April 2003 issue to learn more about XXX families.**

## Lickedy Slit

I'd like to thank Jeanna Fine for giving me some great fucking advice concerning the "right way" to eat pussy in *Dear Slut*. You said that the tongue action should be like French kissing. I tried your method, and it worked! I've slept with five women since using your tips, and I'm five for five in giving orally induced orgasms. Thanks to you I'm a pussylicking champ. The next clit I knock out of the park is dedicated to you, babe. —T. F.
Chicago, Illinois

## Pooch Fucker

I usually agree with Jeanna Fine's experienced advice, but I think she goofed when answering S. M.'s question about bestiality ("And Rover Makes Three," *Dear Slut*, Holiday 2002 HUSTLER). The short answer to the direct question should have been, "No, there are no physical risks." If I recall, the HUSTLER philosophy is that if it's harmless and pleasurable, do it. There's nothing to stop this adventuresome young lady from experimenting in private. —P. D.

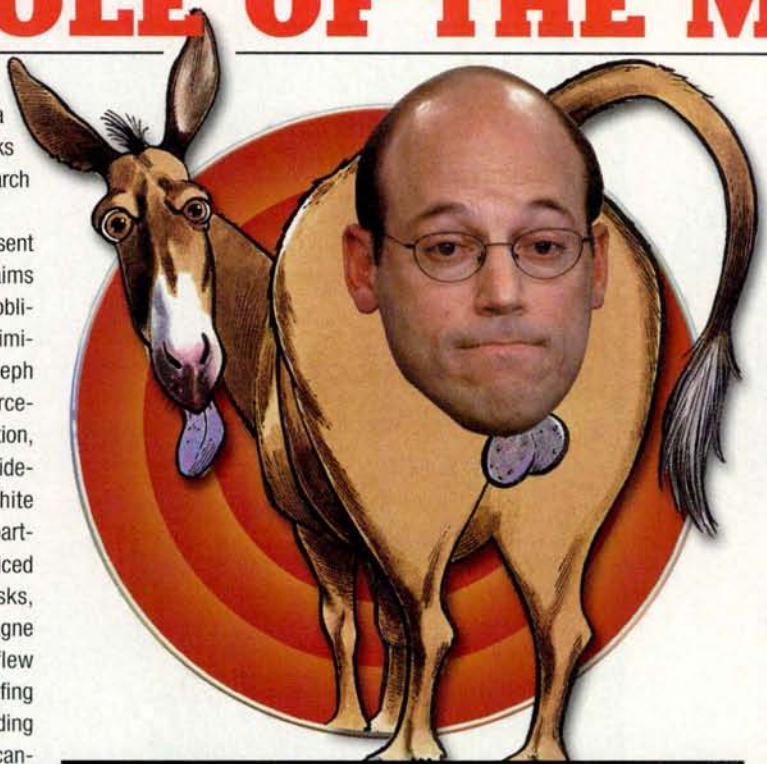
# ASSHOLE OF THE MONTH



## ARI FLEISCHER

White House press secretary Ari Fleischer, a mouthpiece who speaks from his rectum, is HUSTLER's March 2003 Asshole of the Month.

"My job is to faithfully represent the President at all times," claims Fleischer, who interprets that obligation as a license to lie and intimidate with the zeal of Joseph Goebbels. In January 2001, scarcely after stepping into his position, Sorry Ari fanned rumors of widespread vandalism in the White House and Air Force One by departing Clinton staff. Charges of sliced phone wires, overturned desks, bathroom graffiti, stolen champagne flutes and "porn bombs" flew through the White House briefing room like projectile vomit. Feeding the press corps' appetite for scandal, Fleischer assured them that the White House was "cataloging" the orgy of destruction.

The damage, apparently, existed only in Ari's follicle-deficient head; the General Accounting Office and General Services Administration, after lengthy investigations, found no basis for the claims. Pressed for an apology by the maligned ex-staffers, Ari snapped, "No apology is merited. They are well advised to leave it alone." Fleischer added that "the White House is going to continue to be gracious in its approach to the matter."

Slandering a group of people, refusing to apologize and making a thinly veiled threat, qualifies as gracious? HUSTLER shudders to consider Fleischer's idea of rudeness.

This smear campaign was but a wet fart presaging the shit storm Fleischer has inflicted on the public since September 11, 2001.

"The responsibility to be forthright with the country" was especially urgent after 9/11, Ari dribbled. "In a democracy, [the public] should know everything that's possible." Meanwhile, the flimflamming flack constructed a mountain of disinformation, beginning with the assertion that Bush spent most of September 11 zigzagging around the country because of "credible evidence" that he had been a target of the attacks. This claim was quickly proven to be wholly false. Later, when news broke that U.S. intelligence had received warnings of an impending terrorist assault prior to 9/11, Ari first asserted that there had only been speculation about "hijacking in the traditional sense." After further reports revealed that both Russia and Germany had specifically alerted the U.S. that terrorists were planning to use aircraft as missiles, Ari hectored that any suggestion of Bush's negligence in handling the warnings "crosses the line."

What line has Fleischer crossed when, in a time of national crisis, he manufactures threats against Bush while downplaying real dangers to the American people?

Consistency is as foreign to Fleischer as the need for a comb. "Americans...need to watch what they say, watch what they do," Ari admonished during the flap over *Politically Incorrect* host Bill Maher's criticism of America's foreign policy. "This is not a time for remarks like that; there never is."

Setting aside the ludicrous idea that citizens of a free nation should be cowed into silence by a PR flunky, when will Fleischer begin practicing the caution he demands of others? More than a year after the attacks, his ill-considered comments continue unabated.

There was his pitiful February 2002 assertion that a recent flare-up of Middle East violence could be attributed to former President Clinton's efforts to forge a peace accord two years earlier. "Of course I stand by it," Fleischer puffed, before he was forced to issue a rare written retraction.

Fleischer developed another bout of head-in-ass disease during last October's sniper scare. Condemning the prospect of a national ballistic fingerprinting system, which the FBI and ATF believe could prevent such killing sprees, Ari cast the issue in terms of privacy, likening any such program to "fingerprint[ing] every single law-abiding American."

"In the case of the sniper," Fleischer claimed, "the real issue is values."

Ari ignores the fact that, under the Patriot Act, the Bush Administration has approved privacy restraints every bit as invasive as nationwide fingerprinting. It's nice to know, though, that he values a sniper's privacy over his victims' lives.

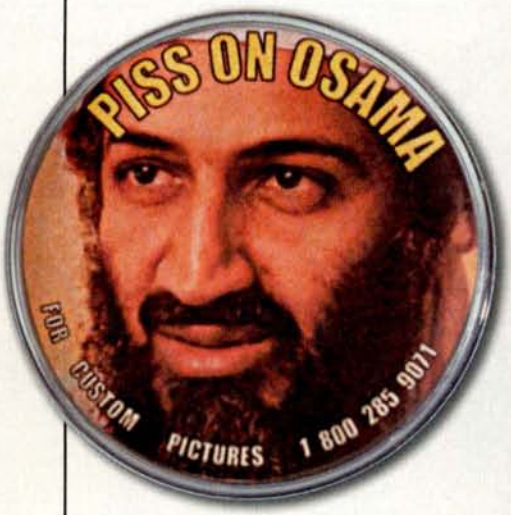
As usual, Ari wears two faces, which, like twin buttocks, harbor an Asshole at their center.

## FARTS IN THE WIND

**Edwin Edwards:** Former Louisiana governor Edwards, who was recently found guilty on 17 counts of racketeering, conspiracy and extortion stemming from a riverboat-license scam he hatched while in office, announced that he will use his ten-year prison sentence to write his autobiography. *Memoirs of an Asshole* maybe?

**James F. Welles:** Welles, the author of *The Story of Stupidity* and *Understanding Stupidity*, was caught practicing what he preaches against in November, when he was arrested for soliciting a minor online. "We can't be lovey-dovey in public," the 61-year-old author told the 15-year-old object of his erection while arranging a clandestine fuck session with her. "Bottom line, I'm committing a crime." Too bad for Welles that he was actually communicating with a 40-year-old male cop. Perhaps the Asshole was doing research for his next book.

# Bits&Pieces



## PISSED OFF?

Is there any notion more satisfying than pissing on some schmuck who has it coming? The folks at www.aLaughandaHalf.com are urging you to unleash that stream of contempt and direct it at those most deserving of it, such as **Osama bin Laden** or **Saddam Hussein**. Simply call 1-800-285-9071, and choose from any number of public figures. Or, better yet, you can provide the photo of someone you want to relieve your frustrations on: friends, relatives or perhaps your employer. Just drop the whiz target in any public urinal to indulge your piddling grudge. Order just one piss pad for $2.99, six for $16.74 or a dozen for $31. Urine for a good laugh.

## THORA BIRCH
## SINS OF THE FATHER (and Mother)

When Thora Birch bared her breasts in ***American Beauty***, moviegoers who wondered if there were laws against an underaged girl flashing the camera were told that Thora's parents were required to be on the set during the said scene. What was left out of that bit of PR were the identities of Thora's parents: Former porn stars **Jack Birch** and busty blonde **Carol Birch**, a/k/a **Carol Connors**, who performed in ***Deep Throat*** (as the nurse) as well as playing the title role in ***Candy Goes to Hollywood*** and ***Erotic Adventures of Candy***. The couple met during a ***Candy*** shoot and married. After Thora's birth in 1982, Carol's involvement in onscreen sex declined dramatically; sources conflict on whether she made another film or retired outright. Thora's porn parentage hasn't hindered her success, however. Aside from her role in ***American Beauty***, the actress appeared as **Harrison Ford**'s daughter in ***Patriot Games*** and ***Clear and Present Danger***, and received a Golden Globe nomination for her role in the acclaimed ***Ghost World***. Hopefully, a ***Candy*** remake is in her future.

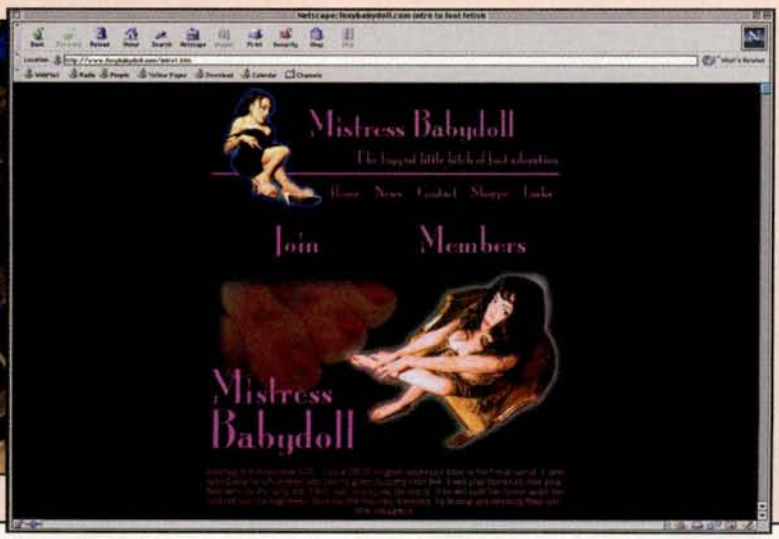
WEB SITE OF THE MONTH



## FoxyBabyDoll.com

You love feet. You love dwarves. At www.FoxyBabyDoll.com, you can satisfy both cravings. Towering above the fetish competition at 3-10 with size-five feet, **Princess Baby Doll** is billed as "The World's Premier Little Lady of Foot Adoration." The site features a live Web cam for members, exclusive photo galleries, and even the chance to order videos, as well as used shoes, socks and stockings from Baby Doll's personal collection. This site is worth checking out for all your small desires.

# NEWSBITES

Marietta, Georgia, doctor **James Ray Pattillo** promised a 15-year-old and his father that he would report their drug tests clean if the kid pimped out his 13-year-old girlfriend. The girl had sex with the 56-year-old Pattillo in her boyfriend's house and was given $150 for her troubles. When caught, the punk boyfriend was charged with pimping and pandering, and the sick old fuck was charged with statutory rape, aggravated child molestation and enticing a child for indecent purposes (no word on what the father faces, aside from a certain eternity in Hell). Pattillo was a contractor for the state Division of Family and Children Services.

The two-year-old daughter of Brit actor **Jude Law** (*Road to Perdition*) was rushed to a London hospital after the toddler swallowed half an **Ecstasy pill** she found on the floor of a club during a children's party. The child fully recovered and is not expected to understand any of her hallucinations until at least the age of 16.

In other little-people news, a **76-year-old Moroccan** woman complaining of abdominal pain thought she had a tumor. When doctors in a Rabat hospital cut her open, they discovered that the pain was actually being caused by the ghastly remains of a **46-year-old fetus**. It is unclear how the doctors came to that precise age, but they did say, like all babies, it resembled Winston Churchill.

**The Gaul of Them, pt. 1**: France's newly elected conservative government has begun a puritanical sweep against adult entertainment—from movies and books to legal prostitution—eerily echoing the early stages of fascism. Talk of a proposed **93% tax on adult films** has been replaced with attempts to remove porn outright from restricted-access cable and pay-TV. Meanwhile, prostitutes are losing ground in the cabinet (a new bill proposes to make it a crime to loiter in the street wearing a short skirt) and the streets, where police reportedly harass them and take their condoms. French porn producer **John B. Root** sums it up: "No other western country is trying to kill off a legitimate creative industry appreciated by millions of French adults. This is a step back to the Dark Ages, a misguided and antidemocratic family-values campaign taken way too far." The French should stay true to form and surrender this notion immediately.

**The Gaul of Them, pt. 2**: A Frenchwoman takes it all off! Normally, this is a good thing, except **Eliane Aguillaume** did so at Indiana's Evansville Regional Airport. Agitated at the number of times guards searched her with a metal-detecting wand, the 56-year-old Parisian removed her sweater, shirt and bra, and, in an inspired bit of theatrics, dropped to the ground and refused to get up. Out of ten, HUSTLER gives Aguillaume's performance an eight, though a judge levied a $2 fine against her. She immediately surrendered it.

# COMPARISON TEST

The White House was noticeably upset when former German Justice Minister **Herta Däubler-Gmelin** compared **George W. Bush** to **Adolf Hitler** for going after Iraq to distract from domestic problems. So, how valid is the comparison? We looked into the matter and found the two leaders only had a few, minor, hardly damning points in common:

**Bush**

- >> Received money from Prescott Bush
- >> "National security" excuse used to curtail freedoms
- >> Installed, not elected
- >> Created camps where citizens were held without rights
- >> Encouraged citizens to rat on each other
- >> Threatening to make the United Nations irrelevant

**Hitler**

- >> Received money from Prescott Bush
- >> "National security" excuse used to curtail freedoms
- >> Installed, not elected
- >> Created camps where citizens were held without rights
- >> Encouraged citizens to rat on each other
- >> Withdrew from League of Nations

Teenage boys seeking good stroke material need look no further than family-friendly ***People*** or ***Entertainment Weekly***, among others, in which they'll find singer/actress/hottie **Jennifer Lopez** stark naked in an ad hawking her new fragrance, Glow. # BLUE IN THE FACE

Shown is a picture of Montanan **Stan Jones**, recent senatorial candidate for the Libertarian Party. What's wrong with this man?

1. He's blue.
2. His policies.
3. He's blue.

Stan's irreversible blue skin tone, a condition called argyria, is a side effect of quaffing down a home remedy of colloidal silver (a natural antibacterial of pure silver) in 1999 for fear that the Y2K changeover would lead to an antibiotics shortage. Stan has had his fill of the elixir; though maybe to save his blue face, he maintains that European royalty unwittingly survived the plague because they ate from silver platters. That rationale is at least as plausible as Jones's platform, which calls for privatizing all nonmilitary public lands, in addition to ending Medicare, Medicaid and Social Security, and scrapping our current federal army in favor of a state militia system.

# POON AND INK

Wonder Woman not sexy enough for you? Xena too butch? Fear not, true believers; **Amazon Woman** has answered your call for beautifully realized women engaging in epic adventures. # NUMBER TWO ON THE CHARTS

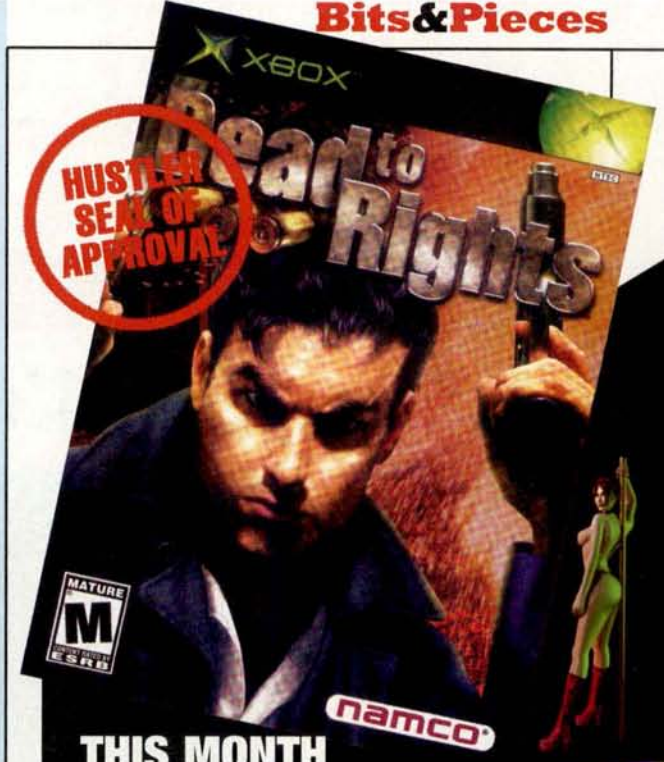
Think Beverly Hills threw a conniption when **Larry Flynt** wheeled into town? Our fearless leader never plastered nudie pictures on our Wilshire Boulevard headquarters. **Tha Row Records** (formerly Death Row Records), our ballsy neighbors two blocks down, recently posted this actual billboard for their rap artist **Crooked I**. November's raid of the **Marion "Suge" Knight**-owned business and the subsequent arrests on murder charges lead us to believe that there's absolutely nothing funny about the billboard, and that we were just minding our own business.



## THIS MONTH
## *DEAD TO RIGHTS*

**What It Is:** A killer video game melding the rush of action movies with Raymond Chandler-esque noir.

**What It's About:** It ain't about zombies, wizards or any of that crap. *Dead to Rights* might as well be a Bruce Willis movie. In the fully realized Grant City, tough-guy cop Jack Slate is framed for murder. With his back against the wall, he seeks to clear his name—guns a-blazing.

**Why We Care:** Sic your dog on people! Blow shit up without your neighbors calling John Ashcroft. Kick ass with more *mano a mano* martial arts moves than a Steven Seagal wet dream. Oh, and make shapely, red-haired dancer Hildy strip for you, like in *your* wet dreams!

**Buzz:** Unlike some Bruce Willis movies, you might actually be engrossed in this story. To further evoke the look of big-time action movies, *Dead to Rights* features visuals by Smashcut Inc., who brought *The Matrix* and *Fight Club* to life.

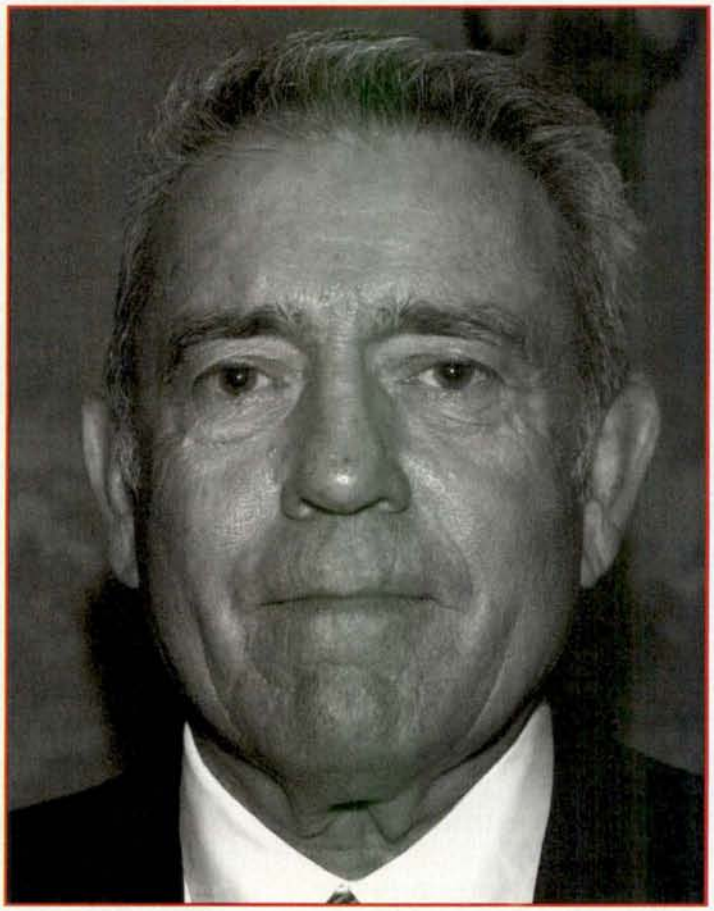
**Downside:** You may be more comfortable buying porn than video games.

**Bottom Line:** Meta-Bogart brings justice to a virtual world.

Namco's *Dead to Rights* is available now for the Microsoft Xbox and will be available for other game consoles in coming months.

# THE DAN RATHER SUICIDE POOL

## When will the anchor drop?



Although most people alive today may not know this, CBS news anchor Dan Rather was once a principled journalist who actually cared about getting the truth out to the American people. Sure, this seems quite incredible when you watch him on the evening news now-shilling for his corporate masters, reading White House press releases-but there was even a time when Rather stood up to President Richard M. Nixon. So committed was Rather to his profession that, upon taking over the anchor's position from Walter Cronkite, he insisted on the title of Managing Editor to underscore that he was not merely a news reader but also the actual editor of the news.

Today, however, Rather is only a grotesque parody of a newsman, knowingly telling half-truths and outright lies to the American people (see BBC reporter Greg Palast on page 44). Given his once-lofty journalistic ideals, we at HUSTLER are convinced that his betrayal of his own values, not to mention the American people, must be eating away at him, filling him with self-loathing. It seems inevitable that Rather will put an end to his embarrassing pretense of journalistic professionalism by finally doing the right thing. The only question is, when will he make that fateful decision? Since your guess is as good as ours, we are inviting you to join us in our suicide watch.

Pick the day in 2003 that Dan Rather kills himself. The reader who correctly guesses Dan's final sign-off date wins a free year's subscription, the approximate value of Dan Rather's life!

Send your predictions to:
HUSTLER's Dan Rather Suicide Pool
8484 Wilshire Boulevard, Suite 900

Government employees may not participate, since they could influence the outcome. In the unlikely event that Dan Rather has not committed suicide by December 31, 2003, HUSTLER reserves the right to renew the contest for 2004.

"Ram your tongue into my pussy, and shove that dildo up my ass, you saucy bitch!" That's the kind of quote one expects when visiting lesbian Web sites. But after visiting www.ChristianLesbians.com, www.lesbians.org and www.CelebrateSisterhood.org, among many others, I was disappointed to find the same boring talky-talk about equal rights, self-worth, life partners, yadda, yadda. # Humping the Stump

***I won't give you the name of my hometown; it isn't important. Since 1991, I've been renting out my garage to a Mexican family. The place lacks a few amenities, but the Ramirezes have fixed it up nicely. A small space heater is really all they need most of the year.***

***I've seen Gisela, the daughter, blossom and come of age, her tits growing fat and healthy, and her frame long and slender. The girl's caboose juts backward, as if extra flesh from her small waist had been squeezed downward and away. Top a body like that with an angelic face and a yard of thick, black hair, and you have a fucking knockout of a young slut. It moved me so greatly when she lost a leg (and, shortly thereafter, her job) at the meat-packing plant that I let her clean my house to make some extra cash. I'm a good man in that respect.***

Last Sunday, I woke to find the unconventional beauty in my kitchen, cleaning the oven, her crutch leaning against the counter at a jaunty angle. My tenant's cutoffs-clad rump undulated from side to side as she scrubbed. The stump that was once her left thigh seemed to be flapping around randomly until I realized Gisela was counterbalancing her cleaning motion. Her juicy ass cheeks bounced, bringing me morning wood.

I tentatively grabbed the waistband of her shorts. Gisela shifted her weight, aware of me, but kept at her task, trilling a cheery, "Good morning, *Meester* Smith." (She used my real name, which I have changed for the purpose of anonymity.)

I pressed my hips against my tenant's booty, letting my cock poke out of my robe and rub her crotch. The soft denim was damp with her sweat. Still, Gisela's bobbing stub managed to squeeze my shaft. I reached around her waist and pressed my fingers into the steamy crotch of her cutoffs. The cleaning girl's gasps of pleasure joined the sound of her scrubbing and echoed inside the oven.

Stepping back, I grabbed Gisela's stump to hold her still, then lowered her shorts and frayed 99-cent-store panties. Poor, hardworking Gisela Ramirez had a shaved pussy, which shed a tear when I touched it; she was wet beyond belief. I rammed my bone into the tawny cleft with one smooth thrust, and grasped her jiggling ass. As I pounded into her intoxicating hole, her big tits slapped together in her bra, adding to the cacophony in my oven.

Pressing on her clit, I pulled Gisela from the stove and leaned back against the breakfast nook. The industrious gimp pulled off her damp T-shirt and moaned, letting her full, cushiony boobs out of their holsters and tweaking her nipples. I couldn't count on her to support herself like this; so I grabbed her bosom and leaned all of her weight on me.

Gisela's pussy sputtered on my cock, making my balls rumble as she went off like a Cinco de Mayo firecracker. She crooked her right leg behind mine and flailed the stump every which way, slamming it into me a couple times. She must have had a kick like a mule once. I wrapped my arm around the bucking limb remnant and splooged her womb full with the first blast; successive blurts of goo splashed out onto her inner thighs and dribbled to the floor.

Gisela matter-of-factly pulled her clothes back on. "*Meester* Smith, I need Lysol and oven cleaner," she said. "I make you some coffee."

I'm letting Gisela sleep in the house now, and I've cut her parents' rent almost by half in exchange for my live-in maid.

# Boning Up

Carmen, my roommate in college, was one delicious, hot babe. We were both freshmen at a state university in Ohio—she was 18, and I was 19. Many a night, I jerked off to thoughts of her perky, little tits, chestnut hair and sexy curves. Carmen was friendly enough at first, but usually kept to herself. It was a shame that my roommate was so bookish and quiet; hers wasn't the kind of body that should be alone on a campus known for its frat houses and wild keggers. My instinct told me that under the round-framed glasses, tightly pulled-back hair and frumpy clothes lay a party girl waiting to be discovered.

My roommate possessed full, pouty, red lips that had *cum-draining blowjob* written all over them—the kind of mouth made for sucking horny college dick. I rightly guessed that this lusty Italian honey would jump at *(continued on page 126)*

# Give Her a Cum-Drenching the ultimate fuck She'll Never Forget

By Nancy Ann

## *Learning "The Ropes"...*

I'd like to share a letter from a reader, about a secret that makes sex absolutely explosive (literally!).

Amy writes:

*Nancy, my boyfriend has always been able to satisfy me sexually. With an ample cock-size, average endurance, and creative oral technique, he almost never fails to get me off. But what I experienced the night he returned home from a business trip in Europe was the surprise of my life—a fucking I will never forget, and an orgasm that no man before him has ever come close to equaling.*

*Since I love to suck cock, the second my boyfriend dropped his luggage I stripped off his clothes and proceeded to please him with my best welcome-home blowjob.*

*Before long my wet mouth had him pumping gob after hot gob down my throat and on my face. With a fistful of throbbing cock, I held on for dear life as he unloaded his sweet jism; these were "power throbs" that kept launching massive amounts of come. I've never seen anything like it—a man having a multiple! I was so totally turned on being nearly drowned with his super-human load. And it didn't stop there! He stayed erect, throwing me down on the floor and pounding my twat until we both had simultaneous, earth-shattering orgasms, practically causing both of us to pass out. The rest of the evening and throughout the week we fucked ourselves into a frenzy; his recovery time between these supercharged orgasms was that of a teenage boy.*

*Since that mind-blowing night, all I can think of is sucking and fucking my new "power lover" all hours of the day and night. Finally, curiosity got the best of me, so I asked what had turned him into such a fuck machine. His answer: He had learned "The Ropes."*

*Turns out my boyfriend had spent an evening in Europe with a Swedish nutritionist and his wife of 20 years. The couple was openly sexual and couldn't keep their hands off each other, so my boyfriend asked them their secret. The nutritionist explained he regularly took a natural supplement, and gave my boyfriend about a month's supply, telling him it would teach him "the ropes" of great sex.*

*The supply is about to run out, and we want to know where we can buy this incredible enhancement. Do you know if this product is available in the States?*

*Amy B.*
*Dallas, Texas*

Amy, you and the rest of my readers are in luck, because it just so happens I do know about "the ropes," and the supplement your boyfriend's Swedish nutritionist friend likely shared.

The physical contractions and fluid release during male orgasm can be multiplied and intensified by using a product called Serogen. It's a natural, pure extract specially formulated to trigger better, more powerful orgasmic experiences in men. The best part, from a woman's perspective, is that the motion and experience a man can achieve with Serogen can help stimulate a strong female orgasm.

The term the Swedish nutritionist used is actually fairly common slang for the effect your boyfriend experienced. The enhanced contractions and heightened orgasmic release are often referred to as "ropes" because of the rope-like effect of release during climax.

As far as finding this enhancement in the States, I know of just one importer—Somalab. If you are interested, you can contact the company toll-free at 1-866-SOM-A-LAB or visit the Web site www.somalab.net. Serogen is an all-natural, herbal-derived tablet. Most people I've spoken with have said that just taking three a day has led to the roping effect Amy describes in her letter.

## Double Standard

Why is it sexy when a woman masturbates, but disgusting when a man does?

—B. R.
via Internet

**That's only one opinion. Many women find the sight of a guy stroking his meat to be very arousing. Solo male masturbation is a gay-porn mainstay. Mutual wanking can be very fulfilling to both parties. It's true that society has stereotyped male wankers as perverts, but that's something that can and will change in time. The truth is that self-pleasure, no matter who's doing it, is a beautiful thing.**

## Cyberslut

My wife is addicted to Internet porn. Her fascination with Web smut wouldn't be such a bad thing if it didn't interfere with our sex life. I haven't wet my dick in at least six months. Our love life wasn't all that great to begin with, but now that my old lady pleasures herself in front of the computer, it totally sucks. I also suspect that she may be having cybersex with other men. What should I do?

—J. R.
Brunswick, Ohio

**This is a bit of a role reversal, but my advice is the same, no matter the sex of the complainant. Sexual problems such as these are probably an offshoot of other issues in your relationship. All aspects of a marriage need to be fulfilling for your sex life to be truly satisfying. Invite your wife to integrate her hobby into your sex play. In my mind, an online affair is worlds away from a physical affair. Start communicating with your wife. Remind her why she married you in the first place, and she won't have to go looking on the Web for companionship.**

## Shite Club

I'm really into shit. I just discovered that my town has an underground gathering of poop-o-philes who meet weekly to drop turds on each other. I look forward to my first scat orgy, but I'm curious about the risks. What's the biggest danger involved in crap play? —N. O.
Allentown, Pennsylvania

**Frolicking in strange shit puts you at a high risk to catch hepatitis C. Everything from E Coli to HIV can be transmitted by an infected turd. People who engage in this kind of activity are the thrill-seeking types who enjoy living on the edge. That doesn't mean they ought to be stupid about their kink. Any crap society worth its salt should test its members for diseases in much the same way the porn industry tests its actors. It's cool to be daring, but putting yourself in unnecessary danger is foolhardy.**

## Pain in the Sac

There's nothing better than having your nuts tenderly licked during a blowjob. My last girlfriend was a pro at ball-lapping. My new fuckmate, to put it mildly, blows. It feels like she's trying to rip my sac off every time she goes down. I've tried to teach her the finer points of nut-sucking, but it's no use. My *cojones* are killing me, Jeanna; please help!

—N. E.
Fort Worth, Texas

**Some people can't parallel park, others stink at math. If you've done your best to train your lover in the art of testicle gargling, there's a good chance the girl just isn't cut out for it. Relationships entail sacrifice. We put up with a lover's bad breath because they know how to fry up a killer post-fuck omelette. We overlook a mate's bad conversational skills because they have a knack for giving back rubs. Look closely at your woman's good points, and you should be able to tolerate a sore nut now and then.**

## Fool for Lust

I've been fooling around with a woman who hates the man she's married to. Neither one of them will file for divorce. I'm pretty sure he knows about our affair. Should I bother waiting around for this woman to cut her ties? —F. C.
via Internet

**It depends on what you're looking for. If you just want a good screw, hang around. Marital troubles make for exciting boinks. If you're looking for a relationship, head for the hills. Extramarital affairs rarely stick. The sex can be thrilling, but you're just going to get burned if you hang around for too long.**

## Gulp Fictions

I've never been much of a swallower. I've chugged scum a few times to please my man, but I've always been a little nervous about ingesting jizz. *(continued on page 102)*

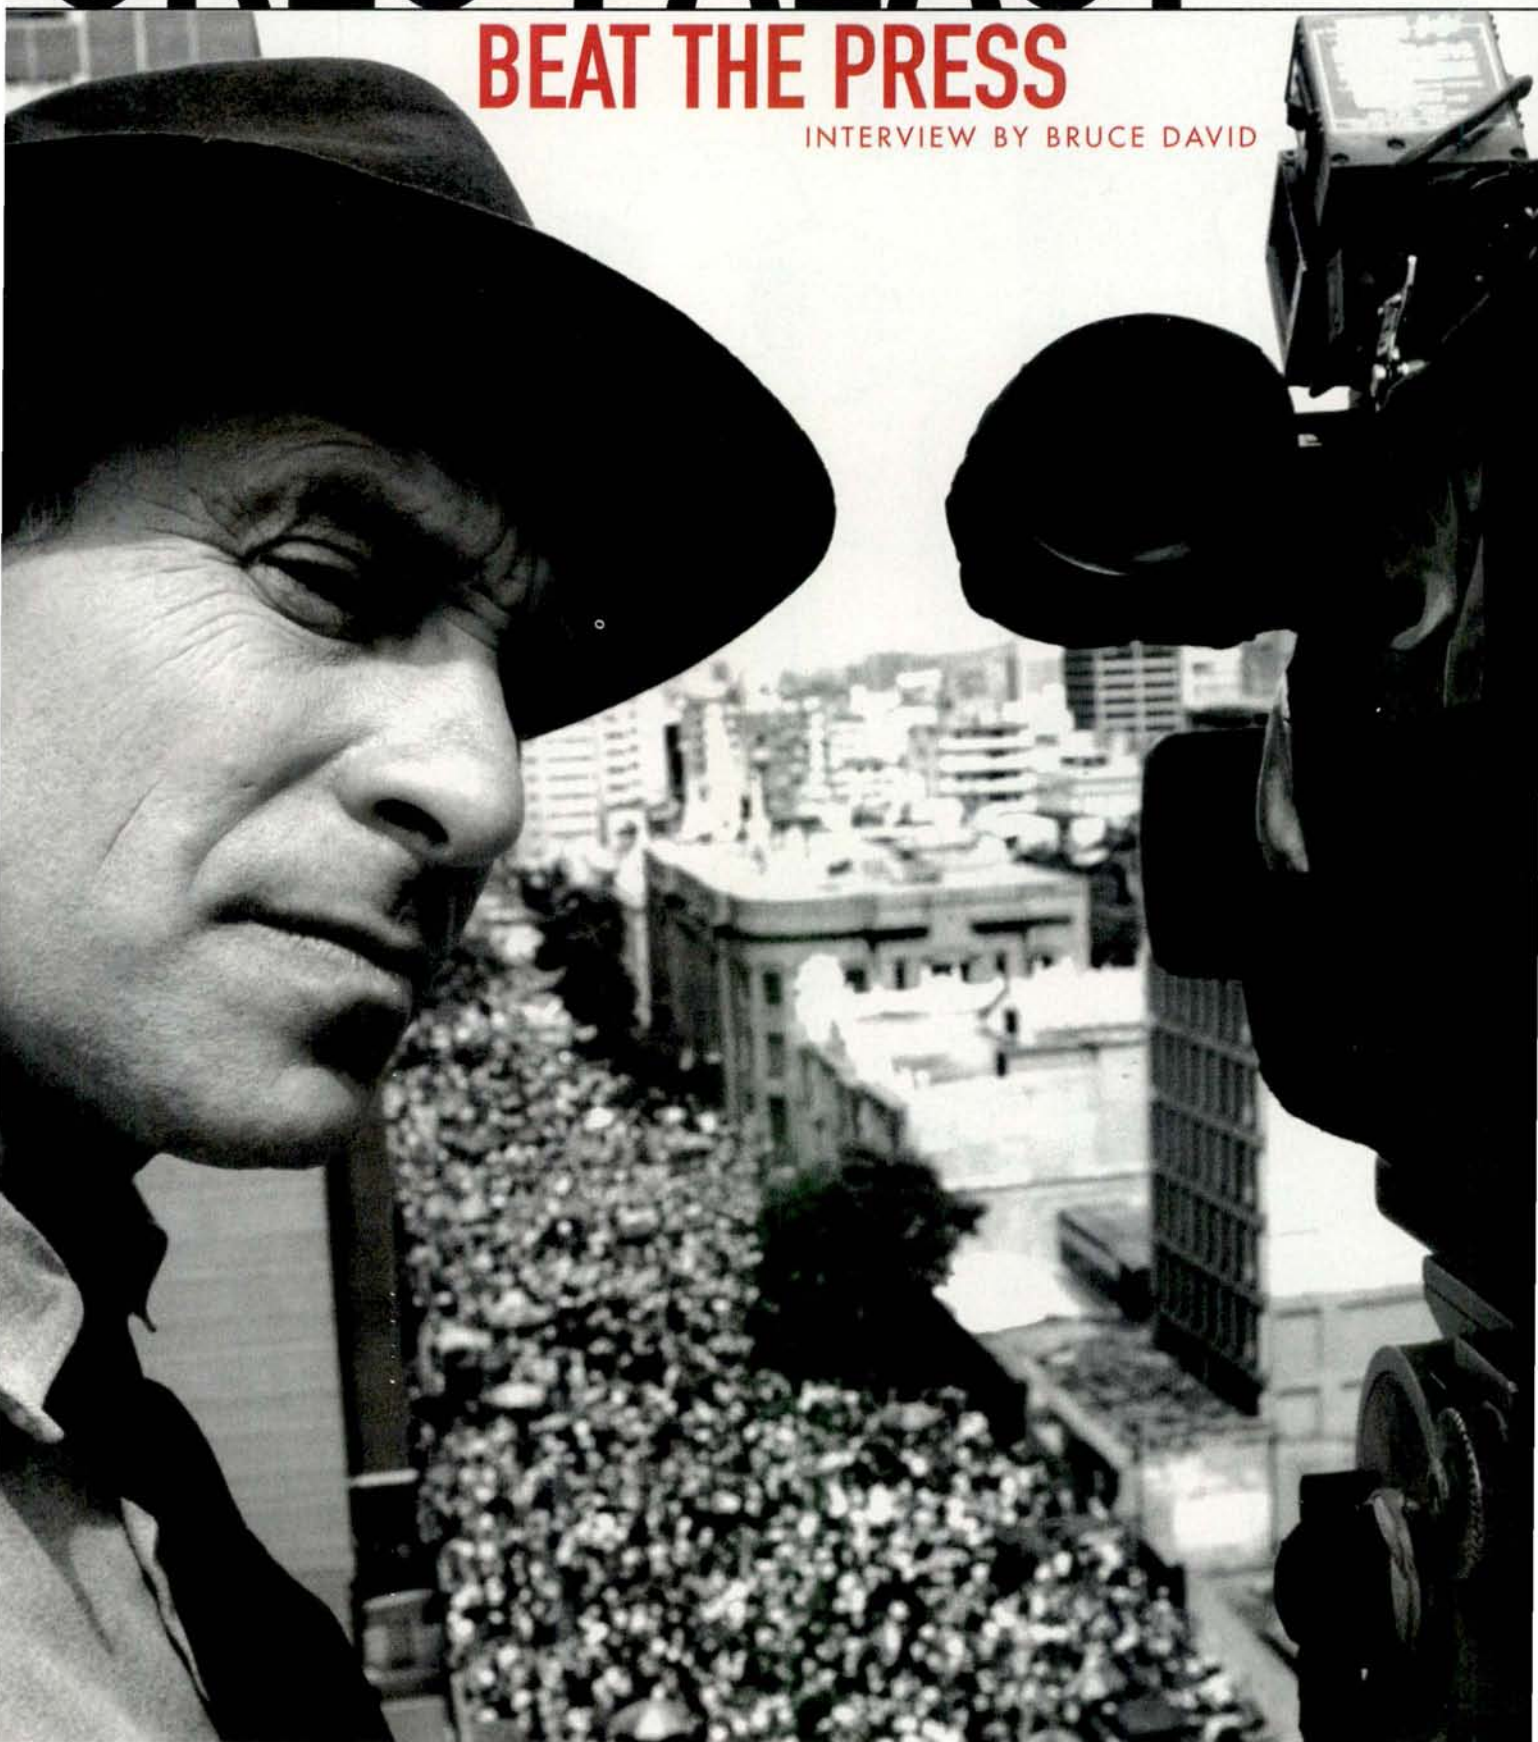
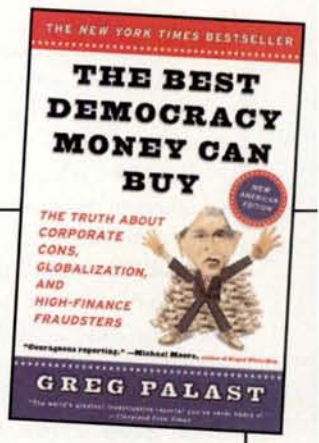
# GREG PALAST

## BEAT THE PRESS

INTERVIEW BY BRUCE DAVID



## An American Journalist in Exile Exposes the Stolen 2000 Election, the Bush-Bin Laden Connection and the Mainstream Media's Conspiracy of Silence.



THE NEW YORK TIMES BESTSELLER
THE BEST DEMOCRACY MONEY CAN BUY
THE TRUTH ABOUT CORPORATE CONS, GLOBALIZATION, AND HIGH-FINANCE FRAUDSTERS
GREG PALAST

For those of us who've long suspected that our democracy is up for sale to the highest bidder, award-winning investigative journalist Greg Palast has uncovered disturbing evidence confirming as much. Palast's exposés of the theft of the 2000 election, the financial ties between the Bush and Bin Laden families, and how these connections kept the FBI from perhaps preventing the horrific events of 9/11 have thrown fear into the hearts of media pundits. There has been a near-complete news blackout of the explosive findings documented in Palast's book, *The Best Democracy Money Can Buy*. First released in England, where he reports for the BBC and the *Guardian*, Palast's collection of writings is finally being published in America by Penguin/Plume books with 40% new material.

In an exclusive HUSTLER interview, the author discloses the truth on high crimes in high places that the mainstream media is afraid to touch.

**HUSTLER:** Tell us about your new book. I know you've been able to get your groundbreaking exposés published in England and Europe, but, up until now, your stuff has been too controversial for the American media to touch.

***PALAST:*** Not a chance in America, until now, thanks to the book.

**HUSTLER:** What kind of material do you have in the book?

***PALAST:*** How about this for an example: After Daddy Bush left the White House, he went to work for a company called Barrick Gold Corporation in Canada, something you haven't read in the United States. The first thing he does is pick up a big, fat check and stock options from Barrick Gold Corporation for, essentially, selling them the presidential seal and the presidential Rolodex. And he writes letters to dictators like [former president of Indonesia] Suharto, saying, "Give these nice guys gold-mining concessions."

**HUSTLER:** What is Barrick Gold?

***PALAST:*** It was founded with money from Adnan Khashoggi, the arms dealer. You may remember that Adnan was the bagman in the guns-for-hostages, Iran-Contra scandal. The sheikh got out, then Bush got in. You have to ask yourself a question: What would a Canadian gold-mining company do with a used president? Well, it turns out that before he left office, Daddy Bush put in motion an expedited process for laying claims to gold in the United States. It allowed Barrick Gold Corporation and a couple of other operators to lay claim to the largest gold mines in America. To stake a claim on $10 billion worth of gold ore, Barrick paid the U.S. Treasury less than $10,000.

**HUSTLER:** I would have gone for that myself. I could have scraped together $10,000.

**"You're never quite sure where the Bush family's bank account ends and American policy begins."**

***PALAST:*** All I can say is that Barrick was very, very grateful for the gold mine. But the public got the shaft, and Daddy Bush got the job. And George W. got the donations. That's the other thing that has been unreported here: People don't realize how much easy squeezy [campaign money] is flowing in. That includes things like parallel spending and soft money and hard money, which, by the way, hasn't ended. You know that our Congress has passed campaign-finance reform, so-called. What they did was eliminate soft money, but they doubled the amount of hard money. It's just Viagra for campaign donations. Our big problem is that we held something closer to an auction than an election in America. A lot of the reason [George W.] Bush raised all that cash—that easy squeezy—is because of his father's business connections. You're never quite sure where the Bush family's bank account ends, and the campaigns and our American policy begin.

**HUSTLER:** Did Barrick get anything else from Bush Sr.?

***PALAST:*** He helped Barrick secure a gold-mining concession in Tanzania. Now the gold-mining concession was owned by another Canadian company, named Sutton, which Barrick hoped to get the rights from. But there was a problem: The land was worthless because there were Tanzanian miners already on it who had the rights to the mine. That's why, in the first week of August 1996, Sutton bulldozers ran across that property with military police firing guns to chase off the miners. In the process, they sealed up the mine pits and, unfortunately, there were 50 miners still in the mines, buried alive, say witnesses. That's information that has not been reported in the United States. You can't get that word out for nothing, because Bush's gold-mining company terrorizes journalists who dare breathe a word about it. They terrorize newspapers; they've been terrorizing wire services, and so you don't get the story.

**HUSTLER:** They threaten legal action?

***PALAST:*** They threaten legal action, and they bring legal action. They sued my paper, the *Guardian*; they said it's all a lie. That's the most prestigious newspaper in the world. They tried to get me to back up and say that no one died. I held firm, and there was nothing that they could do. I wasn't in Tanzania, and I didn't dig out the corpses myself, so maybe Barrick's right, but I have videotapes of the corpses.

**HUSTLER:** Your book also mentions Bush and intelligence failures prior to September 11, right?

***PALAST:*** CIA and FBI agents told BBC Television, for which I was reporting, that they were ordered not to investigate Saudi Arabian financing of terror networks such as al Qaeda. The FBI agents "accidentally" left a file about the Bin Laden family on the desk of one of my researchers. They called up and said, "Oops, we left our file on your desk by accident. You haven't read it, have you? Well, we'll be back to pick it up in 30 minutes—unless you need 45." The FBI agents handed us material dated September 13, 2001, two days after the attack. It was on that date that the FBI was finally released to go after two members of the Bin Laden family, who they had already identified as

being involved with a suspected terrorist organization. But by September 11, they were flown birds.

**HUSTLER:** What happened to other members of the Bin Laden family living in the U.S. after 9/11?

***PALAST:*** Just after the no-fly restriction was lifted, a private Saudi Arabian jet airlifted the Bin Laden family members out of the country before the FBI could talk to them. Everyone thinks there's just one black sheep in that family, but the FBI agents were telling us at BBC that they think there's a couple of gray sheep, and they had some questions for the family members. There were a lot of people dead under the rubble at that moment when those people left.

**HUSTLER:** What had American policy been regarding the Bin Laden family prior to the Bush Administration?

***PALAST:*** Bill Clinton had already put a go-slow on investigations of Saudi Arabian financing of terror networks. Clinton had always taken the position that we can't annoy our dear friends, the Saudis, even if our dear friends happen to be funding terrorists like the al Qaeda network; however, he never actually stood in the way of investigating them, whereas George W., according to FBI and intelligence agents, said, "You can't go there. You may not look. You may not investigate the American Bin Ladens."

**HUSTLER:** So the FBI and CIA agents were pissed at George W.?

***PALAST:*** They are furious. He blindsided our intelligence agencies. How could a trillion-dollar intelligence operation like the CIA not foresee the most deadly attack on America since Pearl Harbor? The answer is not because Bush knew about September 11 in advance. Rather, they were told not to look because of connections that are political, personal and financial between the Bushes and the Saudis. When these agencies were told not to look, there was a lot not to look at. There was a 1996 meeting between the al Qaeda financial arm, Saudi billionaires and key international arms dealers. There was a discussion about which Saudis would pay how much to al Qaeda. Now if I can find out about it, and the French intelligence had a mole in the meeting, you can bet that our trillion-dollar CIA could find out about it; so why wasn't there follow-up? Why wasn't there action? How about a note to the Saudis saying, "Do us a favor: Stop giving money to people who are killing us."

**"We held something closer to an auction than an election in America."**

**HUSTLER:** What about the Bin Laden and Bush connections to the Carlyle Group?

***PALAST:*** The Bin Ladens were investors in a very private and a very exclusive operation called Carlyle, which is an investment group. Carlyle is one of the biggest private corporations on the planet; so they report to no one, and they're responsible to no one, except their little coterie of owners, which is made up of an ex-president and dictators. Daddy Bush worked for, and still continues to be on a retainer for, the Carlyle Group, representing the company in Saudi Arabia and in Asia. His son, our President, was also put on the board of one of the companies owned by Carlyle, Caterair, and he was paid on the order of $50,000 for them to access his great business acumen. Caterair went under, but they never asked for their money back.

**HUSTLER:** What about George W.'s oil ventures?

***PALAST:*** He had several oil ventures and could never find oil in Texas, which is almost impossible, as you know. On the other hand, he had a company, Spectrum Seven, which was bought out by another company, Harken Oil. Before that, he had Arbusto, which means *shrub*. He could never find oil, this guy. But he did find Saudi Arabians who put money into Harken and got him on the board where he was paid consulting fees. Then, despite the fact that the company seems to be going south, a miracle occurred. That is, the Bahraini government insisted on giving Harken Oil a contract to drill in the Persian Gulf. This is a dry-land Texas company suddenly being given an offshore oil lease by a country that had previously been doing business with Amoco. They picked this little, teeny company out of nowhere, which of course has absolutely nothing to do with the fact that the guy was the son of the President of the United States.

**HUSTLER:** What about Hugo Chavez, the president of Venezuela? Was the CIA really involved in the attempted coup last April? And how did that relate to oil?

***PALAST:*** What's not discussed in the American press is that the president of Venezuela, who they say is a Communist and a dictator, was, in fact, elected in a democratic election. In that regard, it's worth noting that our President's spokesman said, "Winning a majority of the vote does not make your government legitimate."

**HUSTLER:** Who should know better?

A portion of a "scrub list" that was distributed to Florida counties before the 2000 election with orders to remove voters whose names matched or almost matched that of an ex-con, even those legally allowed to vote. Note Thomas Alvin Cooper's (2) 2007 conviction date and the discrepancy between his "Voter Race" and "Felon Race" (last column). Sixty-nine-year-old Rev. Willie G. Dixon Jr. (3) was pardoned of the crime committed during his youth and therefore should not be on this list. Even if Johnny Jackson Jr. (4) were ex-convict John Fitzgerald Jackson, he should not have been scrubbed, since the latter was convicted in Texas, a state that lets its ex-cons vote. According to federal law, that right can't be taken away just because someone moves to Florida.

Dear Mr. Kast:

Pursuant to your letter of August 10 and our conversation this date, this is to advise you that a certificate of restoration of civil rights, relief of disabilities, or pardon order issued by a court, agency, clemency board, or governor of another state is recognized by the Office of Executive Clemency as restoring civil rights in the State of Florida. These individuals do not need to make application with the Office of Executive Clemency.

Any individual whose civil rights were restored automatically by statute in the state of conviction, and does not have a written certificate or order, would be required to make application for restoration of civil rights in the State of Florida.

If you have any questions or need further assistance, please let me know.

Sincerely,

Janet H. Keels
Coordinator

Defying two court orders, Jeb Bush's Office of Executive Clemency sent this letter to election officials less than two months before the 2000 election, illegally requiring voters to apply for their civil rights with the state of Florida.

Mr. Ed Kast, Assistant Director
Division of Elections
Department of State
The Capitol, Room 1801
Tallahassee, FL 32399-0250

Dear Mr. Kast:

Some confusion has recently arisen regarding the effect of out-of-state restoration of civil rights on former felons' civil rights in Florida. To correct any misunderstanding, this letter reiterates our current policy.

If a former felon's civil rights were restored in another state, or if a person's civil rights were never lost after being convicted of a felony in another state, the individual possesses his or her civil rights in Florida and need not apply for restoration of civil rights in Florida. If a former felon attempting to register to vote in Florida claims that his or her civil rights were restored in another state or that his or her civil rights were not lost in another state, but the individual cannot produce supporting documentation, please refer that individual to my office.

My office will attempt to confirm the individual's claim by contacting the state that assertedly restored the individual's civil rights. If possession of civil rights is confirmed, the individual does not need to apply for restoration of civil rights in Florida. My office will issue a letter to that effect to the individual. Please accept that letter as proof of possession of civil rights.

I hope this clarifies any misunderstanding as to our State's policy regarding these matters. Please do not hesitate to contact my office if you have questions.

Sincerely,

Janet H. Keels

With his brother safely in the White House, Jeb Bush's Office of Executive Clemency contradicted the first letter, which the office later denied even existed.

**PALAST:** [The U.S. government has] been working on getting rid of Chavez, because he's not only president of Venezuela, he also got to choose the president of OPEC, and I haven't read that anywhere in the U.S. press. He controls the biggest pool of available oil. Saddam Hussein's oil fields, if we do invade, will be in flames. Where do we get the oil to make up for the losses in a war? One place, Venezuela, which pulled our bacon out of the fire during the Arab oil embargo of the '70s.

**HUSTLER:** Didn't Chavez piss off U.S. oil companies by restructuring his deal with them?

**PALAST:** Here is a guy who said, "Look, I've got a nation where millions of people are living in cardboard houses. We're raising the price of oil, I'm taking over OPEC, I'm putting it back together, and I'm gonna take that money and rebuild the ghettos of Caracas," which he did. And that cost a lot of money, which he got by doubling the royalties on foreign corporations taking out the oil. They were getting 16% royalties—this is the Venezuelans' own oil, after all—and Chavez said, "We'll take 30%. You get 70%. Is that a deal?" The response from the Bush Administration was to get the guy kidnapped. And our ambassador, a political toady named Charles Shapiro, ran down from the U.S. Embassy to put his arm around the guys who are literally holding the president of the country hostage. You have to imagine what this looks like to the rest of the people in the world. Of course, we didn't see that. We're not permitted to find out what's happening in our news media.

**HUSTLER:** What has happened to the news media in this country?

**PALAST:** I vomit every time I see Tom Brokaw.

## "George W. said to the FBI, 'You cannot investigate the American Bin Ladens.'"

**HUSTLER:** And Dan Rather—

**PALAST:** I feel sick at heart when I see Rather, because he's actually a journalist. He came on my program, *Newsnight* [in England] and said, "I can't report the news. I'm not allowed to ask questions. We're gonna send our children and our husbands into the desert now, and I can't ask a question, because I will be lynched." This is what Rather said in London. He looked defeated and awful, and I was thinking, *Why am I feeling sorry for this guy who is worth millions?* He should turn to the camera and say, "Well, now for the truth. Over to you, Greg, in London." The problem is that he can't report the story of the intelligence agents who are told not to look at the Bin Laden family, not to look at Saudi funding of terror.

**HUSTLER:** What makes Rather afraid to do his job?

**PALAST:** It's not just that there are brutal shepherds like Rupert Murdoch out there to beat the dickens out of any reporter that asks the wrong questions; it's all about making news on the cheap. You know, for some of these editors, cheap and easy is a philosophy of life. To do a heavy-duty story on Bush, his oil and Bush and his gold-mining company is beyond them. A little bit of the Harken stock scandal came out, but that story was already seven years old. To some extent they know that there are certain things you cannot say. Rather says he would be necklaced for telling the truth.

**HUSTLER:** He said that? What did he mean?

**PALAST:** In South Africa, under apartheid, if someone didn't like you, they put a burning tire around your neck. That was called "necklacing." On my show, Rather said, "If I ask any questions, I'll be necklaced." And I'm thinking, *Oh, that's a good image.* It's *(continued on page 63)*

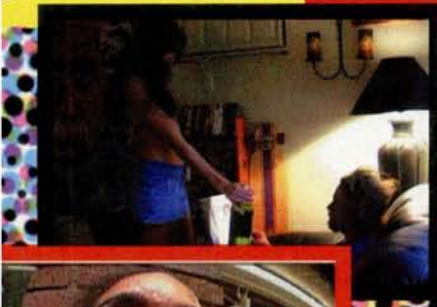
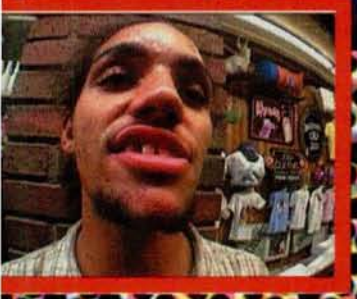
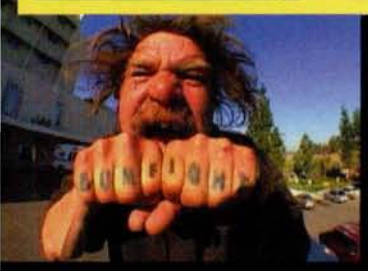
"Too much fuckin' Ecstasy," Sara mumbles, pissing behind the techno club's Dumpster. Unknown to her, in the same alley sulks Doug, drowning his broken heart. "Need a drink?" he offers. Sara snaps back, "Does it look like it?" "Kee-rist, all you women are the same. Why do the good guys always get pissed on?" Sara smiles warmly, "For the record, I was only pissing *near* you." The bass from the club reverberates in the alley, prompting Doug to ask, "Care for a dance?" "No," she replies, to his disappointment. Then, "I want more than a dance."







# The Battle Over Bumfights

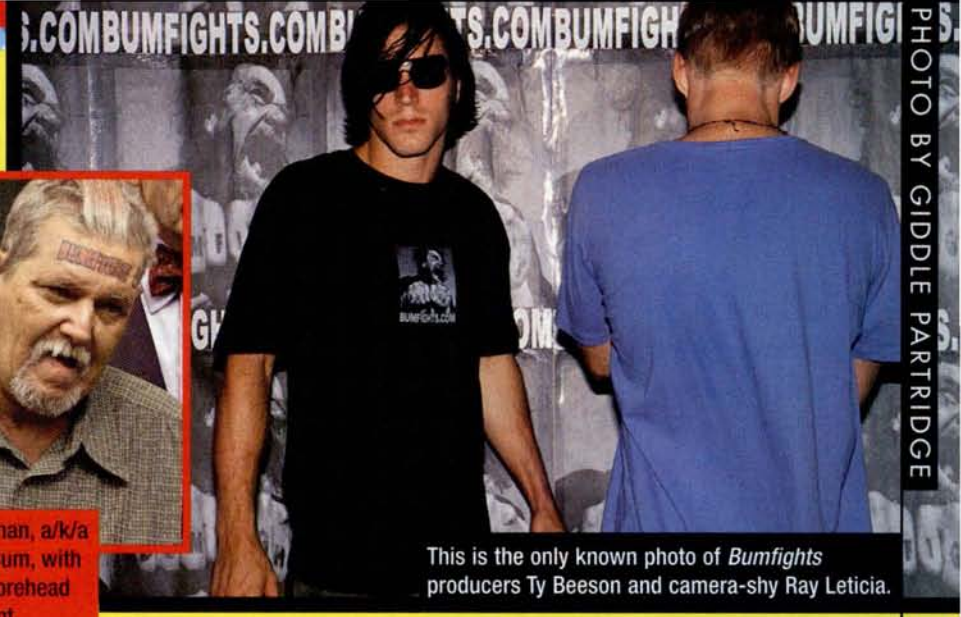


PHOTO BY GIDDLE PARTRIDGE

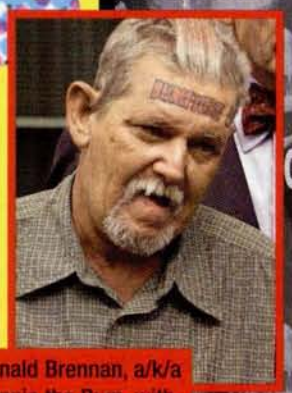
This is the only known photo of *Bumfights* producers Ty Beeson and camera-shy Ray Leticia.



Donald Brennan, a/k/a Donnie the Bum, with permanent forehead advertisement.

**Shock-video producers made millions filming the violent antics of crackheads and vagrants, but the controversial tape has prompted both civil and criminal litigation, and at least one congressman's outrage.**

REPORT BY DAN KAPELOVITZ

"A vagrant struggles to escape the punishing punches, kicks and body slams of his attacker. [There is] another scene with a man standing in a dark alley, hitting himself on the head as he realized that his hair is on fire. A purported crack addict [is] smoking the drug and defecating on the sidewalk, and then there are films of a homeless man extracting his own teeth with a pair of pliers. These sad, pathetic images are described as hilariously shocking. I call it criminal."

Congressman Earl Blumenauer (D-Oregon) uttered the above words on the floor of the House of Representatives, denouncing *Bumfights: A Cause For Concern* a controversial and popular video. The grandstanding legislator, who decided to "take a pass" on being interviewed for this article, demanded that the FBI, Customs and the U.S. Postal Service look into prosecuting the video's creators.

Whether due to Blumenauer's words or not, the video's notoriety has prompted law-enforcement agencies and civil attorneys to take notice. Four of the cameramen who shot much of the *Bumfights* footage are being charged with felonies, while two of the video's homeless stars are suing the filmmakers for pain and suffering.

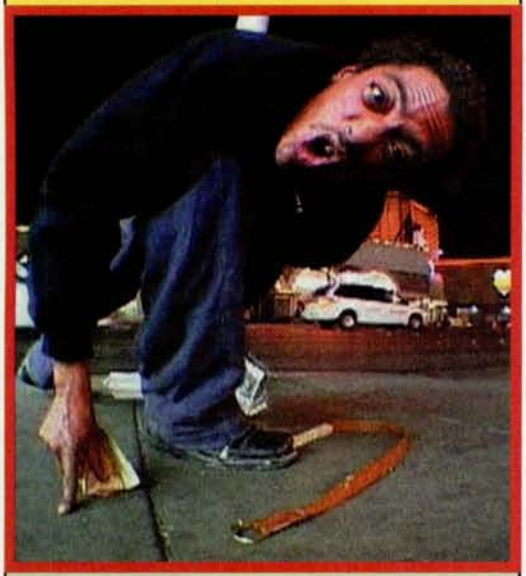
On Labor Day weekend 2002 in Las Vegas, HUSTLER is hanging out with the two 24-year-old producers of *Bumfights*—Ray Leticia, a clean-cut, soft-spoken blond, and his extroverted friend, Ty Beeson, who has dyed black hair that often hangs in front of his eyes. (Both names are pseudonyms that the pair have adopted.) We are on the corner of Las Vegas and Sahara boulevards, looking for bums, in the same convenience-store parking lot where the vagrant that so concerned Blumenauer yanked out his tooth for a *Bumfights* cameraman.

"That tooth needed to go," says Ray. "It was all infected. We paid him $20, and bought him a bottle of whiskey." Besides assisting bums with their dental hygiene, Ray and Ty feel that their controversial video actually helps the homeless by calling attention to their plight.

Friends since elementary school, Ray and Ty say they have spent the past three years compiling footage of bums acting up. The duo purchased much of the raw *Bumfights* material from San Diego resident Ryan McPherson, who "discovered" the video's undisputed star, Rufus Hannah, a/k/a Rufus the Stunt Bum. (Eventually, Rufus and the film crew moved the operation to Las Vegas.)

Beeson and Leticia claim to have

# The Philosophy of Bling Bling the Crackhead



Bug-eyed crack addict Bling Bling is, aside from Rufus the Stunt Bum, the most memorable performer of the *Bumfights* video. The viewer first meets Bling Bling squatting on a sidewalk as he deposits a bowel movement on a newspaper (accidentally soiling his belt in the process). HUSTLER attempted to track down Bling Bling for an interview, but according to the *Bumfights* producers, the rock-cocaine fiend is currently incarcerated for burglarizing a 99-cents store. In lieu of a crackhead Q & A, we offer some of Bling Bling's words of wisdom, along with translations.

**>>Bling Bling:** "This is my spot to get my Bling Bling on."
*Translation:* "This is the location where I choose to enjoy a nice hit of crack cocaine."

**>>Bling Bling:** "I had contact with extraterrestrial beings, my brother. When you're abducted by beings, you go through three encounters: close encounters of the first kind, close encounters of the second kind and close encounters of the third kind. You see, I had all three."
*Translation:* "I'm the way I am because of alien abductions—not excessive drug use."

**>>Bling Bling:** "This is Bling Bling's crack hit. By the smell of it, you can tell whether it's good crack or bad crack. Bling Bling expertise in crack smoking. [He smells it.] *Gooood* crack."
*Translation:* "If you excel at a certain activity, you should pursue it as a career."

**>>Bling Bling:** "Bling Bling's crack pipe hidden inside of his collar. Only the Bling Bling. This is Bling Bling's crack pipe. Before the hit of crack, during the hit of crack and after."
*Translation:* "Objects remain constant even as time progresses."

**>>Bling Bling:** "This hit of crack goes out for the times I wish I had one of them."
*Translation:* "Be thankful for what you have; others are not so fortunate."

become multimillionaires within months of their video's release. "From just word of mouth, we've sold over a quarter million [copies]," boasts Ty. At $19.95 a pop, the videos presumably have grossed nearly $5 million, not including the sales of T-shirts, sweatshirts and tank tops featuring a photo of Rufus. The scruffy 47-year-old with the word BUMFIGHT tattooed across his knuckles has become a cult celebrity, famous for running headfirst into walls, beating on a Taco Bell drive-thru-window menu and spray painting the sleeping bags of dozing bums.

"We knew we achieved somewhat of a household-name status when we were watching the NBA Finals," says Ray. "They had the camera on Brad Pitt in the audience. Brad Pitt had a big beard, and Bob Costas goes, 'Hey, look; it's Rufus the Stunt Bum.'"

Leticia and Beeson's big break came when Howard Stern described the video on his radio program. "At that time, we only had one phone line, and it was running into my house," recalls Leticia. "I woke up at four in the morning, and it was some dude with a New York accent. He said, 'I'm calling about that video that Howard's talking about. I want to order it.' The phone didn't stop ringing, and it never has since that moment."

Tonight, Ray and Ty are having difficulty locating bums in this usual homeless hot spot. According to Ty, the Las Vegas police chase the derelict population off the strip during tourist-filled holiday weekends.

Ray explains how difficult finding good *Bumfights* footage can be. "People think, *Oh, they just pay bums to fight; how easy*, but it's not the case. It's tough to get anyone to do anything that has any shock value. If we get two minutes of usable footage in a night, it's a great night. Crackheads are more entertaining than bums. They like to talk, whereas a lot of the homeless guys—it's tough to get them to do stuff that's entertaining. That's why Rufus is such a catch."

Ty disappears down a dark side street and returns 15 minutes later with two street people in tow: Junior, a Caucasian dressed in a muscle shirt, and Lucius, a skinny black dude. Neither of the transients, who are openly drinking malt liquor from a 7-Eleven Big Gulp cup, have heard of the *Bumfights* videos. When the concept is explained to them, they both want starring roles. Lucius even suggests filming him jumping onto a nearby casino's moving roller coaster. Everyone else agrees this is probably not a good idea. Ray gives the hoboes a couple of fivers for their troubles, and we take off in Ty's Chevy Avalanche North Face Edition truck.

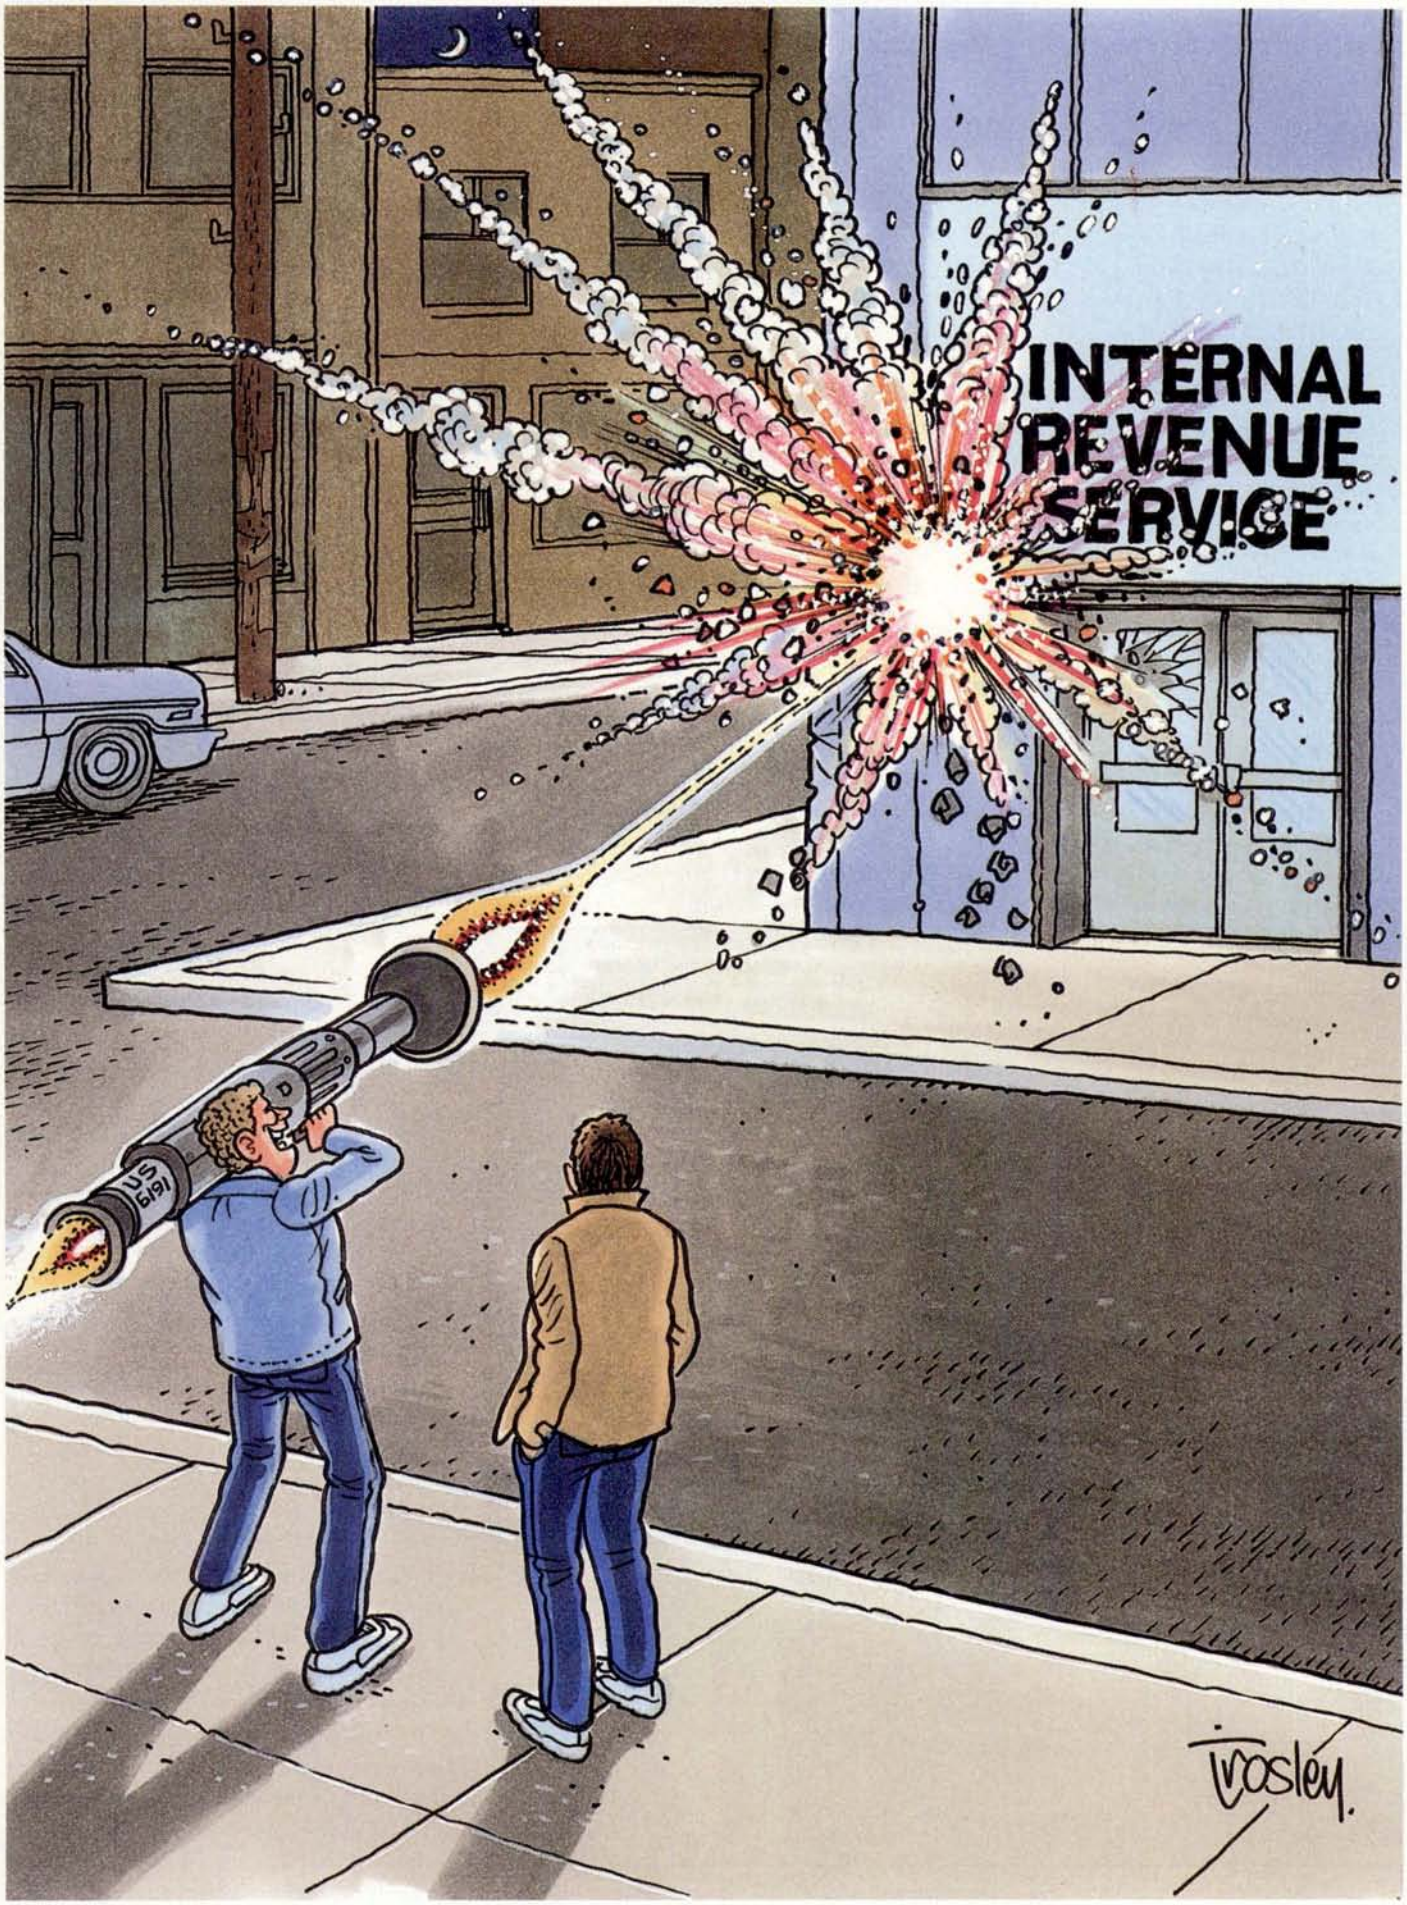
Ray says Joe Francis, the mastermind behind *Girls Gone Wild*, offered them $10 million for the rights to *Bumfights*. "At the time, we had already made half that, and it had only been a few months; so it didn't make sense," says Ray.

With his newfound riches, Leticia purchased a Porsche, trips around the world and a house with a one-lane bowling alley. A fan of '80s movies such as *The Breakfast Club* and *The Karate Kid*, Ray is currently in preproduction on a self-financed feature film. Beeson spent some of his earnings on a house, a bulldozer and, he says, an $8,000 lynx cat that he bought on the black market.

Fame and fortune have brought problems to the young entrepreneurs. Las Vegas authorities investigated Ray and Ty, and, at one point, Las Vegas Mayor Oscar Goodman said an investigation was underway to charge the filmmakers with filming without a permit. So far, Las Vegas officials and Clark County District Attorney Stewart Bell haven't prosecuted, but the four friends of Ray and Ty who originally filmed Rufus's stunt footage weren't so lucky. In September 2002, the San Diego County District Attorney's office slapped Ryan McPherson, Zachary Bubeck, Michael Slyman and Daniel Tanner with the felony charge of solicitation to commit a crime. The following month, Greene, Broillet, Panish & Wheeler, LLP, the law firm representing Rufus and his best friend and fellow star, Donald Brennan a/k/a Donnie the Bum, filed a civil case for pain and suffering.

The defendants' lawyers say their clients have not broken the law. "[The prosecutors] are desperately searching for a crime to fit these facts, but there isn't one," says Michael Pancer, Bubeck's attorney. "I've been practicing a long time; this is probably my favorite case ever, because I just can't see losing it."

The DA is charging McPherson with the additional crime of obstruction of justice for allegedly offering to pay his homeless thespians not to cooperate with police. "When the word got out that there



*"It's my own private war on terrorists hiding right here in America!"*

was a criminal investigation from our agency," says Lieutenant Raul Garcia of the La Mesa Police Department in San Diego County, "[the filmmakers] told these homeless guys, 'Don't talk to the police,' and they went a step further by taking them and moving them to Las Vegas. The problem in Las Vegas was, they were dangling the idea that 'There's money for you, and we'll take care of you.'"

While the media reported that McPherson allegedly offered the bums $25,000 to keep mum, Donnie, who suffered a broken ankle during the making of *Bumfights*, explains that this claim resulted from a huge misunderstanding when he used the phrase "hush money." "[The police] kept asking me about the hush money. I said, 'It's not hush money.' When I grew up as a kid, my mom used to tell me to hush up, and we kept calling [Ryan] to get five, ten bucks to pay the rent or something; so I told the cops that was just to get us to quit complaining. [That] is what I should have said."

The civil case was filed against everyone who might be involved in the *Bumfights* video, including the tattoo parlor that turned Donnie into a walking *Bumfights* billboard by inking a picture of a beer bottle and the word BUMFIGHT onto his forehead.

Ty believes that the lawyers have brainwashed Rufus and claims he isn't concerned about the arrests and the lawsuits.

**"These images are described as hilariously shocking," says Congressman Blumenauer. "I call it criminal."**

In fact, he says all of the new publicity has only served to increase sales.

While Ty thinks that lawyers were probably wandering the back alleys looking to sign up Rufus and Donnie as clients, Browne Greene, attorney for Rufus and Donnie, says the homeless men found his law firm through Barry Soper, who hired the two derelicts to work odd jobs at his building.

Greene believes that the *Bumfights* suit is a "multiple seven-figure-type case," although he is unsure yet what percentage of the judgment, if collected, will go to Rufus and Donnie. (Greene says some of the money would go to homeless support groups.)

Ty, who claims that he and Ray already give some of their profits to homeless charities, doesn't think he or his colleagues have done anything wrong. "We've documented footage; that's all we've really done. Whether we've caught a guy smoking a crack pipe or caught someone spray painting the side of a bus, that's something that we caught on film."

Greene doesn't buy Ty's explanation. "Yeah, right; that makes a lot of sense. Yeah, these guys would go in and have a tattoo that's two inches high put on their forehead. They do that on a regular basis. Give me a break."

While Greene says the tattoo parlor gave Donnie his inscription when he was clearly plastered, a violation of California state law, the tattoo artist maintains that Donnie was sober during the procedure.

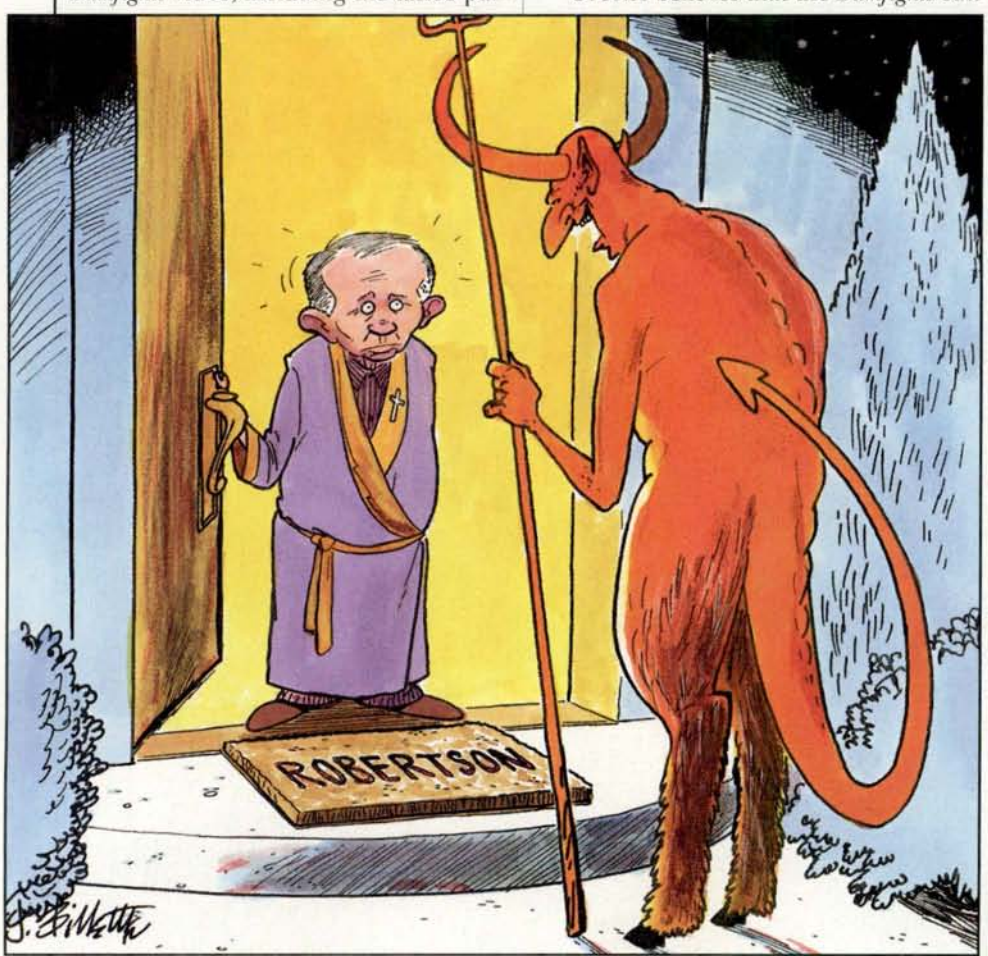
"They're lying out their ass," retorts Donnie, who is holed up with Rufus in a hotel room, which Donnie says is "more or less" being paid for by their attorneys.

"It's a sad thing," says Rufus. "[The filmmakers] knew our problem. We do drink. They'd say, 'Here, go get some alcohol; we'll be back a little later and go do some filming.'"

Even so, Rufus feels for the filmmakers. "I don't think they should go to jail. I was never forced physically to do anything. I was pretty much enticed by getting drunk."

If Donnie and Rufus win the lawsuit, Donnie is going to have his forehead tattoo removed, purchase a small condominium in Sacramento and travel. "I'd love to go to New Zealand for about five or six days, and then I'll come back and do a lot of fishing. We're not going to get extravagant here. If I had a bunch of money, I might invest in property, you know, smart decisions instead of stupid ones, but I'm not making no more videos—that's for sure.

"What we're trying to do with this lawsuit is make sure that people like us don't get taken advantage of anymore," Donnie adds. "We just don't want what happened to us to happen to the other homeless people. It is pretty rank."



*"Surprise, Pat! It's time to go!"*

(continued from page 47) sad, but if Dan Rather doesn't have the *cojones* to ask a question, then you name a reporter who's gonna step out and ask about what's going on. It's not that the corporate guys say, "Don't run that story," although that has happened to me many times in North American media, but also the shepherds pick the lambs who won't ask the questions. For example, there was a reporter, some poor producer, who wanted to run a story about how Jack Welch had lied about polluting the Hudson River. The story didn't run. Shockeroo. That was for *Dateline NBC*, owned by General Electric, of which Jack Welch was the chairman of the board. Or as in the case of Venezuela, I was stunned to come back from Caracas to find a picture on the front page of the *San Francisco Chronicle* of 100,000 people marching against the president of Venezuela. Sounds like he's a terrible guy and people hate him. What they didn't say was that half a million people were marching *for* him. At least the Soviet Russians knew that the stuff in *Pravda* was coming out the wrong end of a toilet, whereas, we live under the pretense that the *New York Times* prints all the news that's fit to print.

**HUSTLER:** I won't read the *New York Times*. That publication has no credibility with me.

***PALAST:*** The *New York Times* ran a story, front page, the first week of September 2001, talking about gold-mining companies in Nevada and how they seem to be getting let off the hook by the Bush Administration on environmental rules. They didn't mention two things in that front-page article: They didn't mention the owner of the big gold mine—Barrick—and they didn't mention who had been on their board—the President's daddy. I brought that up to an editor of the *Times*. They said, "How dare you? No one has ever accused the *New York Times* of cowardice," and [former *Times* writer] Seymour Hersch leaned over to me and said, "That's the guy who had me pushed out of the *Times*."

**HUSTLER:** They haven't really told the truth about Bush and the 2000 election, either.

***PALAST:*** I've got brand-new, deeply evil stuff about that in the new book. What happened was that, five months before the election, Katherine Harris, acting under orders from Jeb Bush, knocked 57,000 voters off the rolls. They were suspected of being evildoers and felons and, therefore, not allowed to vote in Florida. Here's the news: Of the 57,000 people, 97% were innocent of crimes, but they were guilty of being black. Half of them were African-American or Hispanic—in other words, Democratic voters. Was the

**"Rather said, 'I can't report on the news; I will be lynched.'"**

state guessing who the people of color were? In Florida, it's like South Africa; they list your race right on your registration. There was no guessing. These people not only lost their vote, but lost their president. BBC figures Gore lost 22,000 votes this way, but you didn't read that in the U.S. press. You didn't read in the U.S. press that they say they're going to allow the voters back on in 2003. That means that they were screwed for the election of 2002 as well. I ran the story of the theft of the election on the BBC. Then a hotshot with CBS News calls me and says, "Oh, that's a great story, can we have a piece of it? We want something new." I said, "Yeah, I got something for you: Jeb Bush's office, the governor of Florida, is involved in knocking off the voters too, not just Katherine Harris, and there's a letter dated September 18, 2000, which directs county-elections officials to deliberately violate the law and not register a bunch of people who are Democrats. These are people who committed crimes in other states. Jeb can't legally stop them from voting, but he did anyway. And he knows that these people are Democrats, because there's something about going to jail that turns people [into] Democrats, about 93% [of ex-cons vote Democrat]."

**HUSTLER:** So, people who were either black or who had previously gone to jail were just automatically eliminated?

***PALAST:*** Right. Jeb sent out the letter anyway, September 18, 2000, despite two court orders saying he couldn't do that. I had an insider in his office, some poor woman, shaking, saying, "I gotta read you this letter." She knew about the court orders. Okay, so I said to CBS, "That's a story." I certify that I was 18 years of age or older at the time my photographs and/or video footage were shot, and that I am of full age and am possessed of full legal capacity to execute the foregoing authorization.

(continued from page 63) didn't run the story—one night, two nights. I said, "What happened?" They said, "It didn't stand up." I said, "How do you know the story didn't stand up?" "Well, we called Jeb Bush's office, and they said, 'We didn't do it.'" Oh. Hotshot Dan Rather investigative news team. They said, "The letter doesn't exist. It's not in the computer files; it's in no one's files, not in the governor's files. It's nowhere to be found." Then Katherine Harris writes a hysterical, screeching letter to *Harper's* magazine, calling me twisted and maniacal, but she didn't say I was wrong. She said, "Yeah, we knocked off these people, but it's not my fault; I got a letter from the governor." I called up her office—I didn't say, "This is Mr. Twisted and Maniacal"—I said, "*Um*, excuse me, I got a letter from your Secretary of State saying that she had a letter from the governor, before the election, regarding removing people from the voter rolls. Could you fax that to me?" Suddenly, the letter that CBS says doesn't exist is faxed to me. I've got it in my hot little hands, the letter that was in Katherine Harris's desk; so CBS just took an official denial, because they're not gonna say, "The President's brother, the governor of the state of Florida, fixed the election"—that we had a coup d'état by computer.

**HUSTLER:** What can you tell us about the way the news media counted the ballots in Florida after the election?

**"Katherine Harris, acting on orders from Jeb Bush, knocked 57,000 voters off the rolls."**

***PALAST:*** ABC News ran down after I noticed that 180,000 ballots were not counted in Florida. Never counted, because they were spoiled, as they say. They were not counted because the ballots had mismarks on them. Would you be surprised to find out that most of those ballots were from black voters? Black precincts. Black counties. So Ted Koppel's team goes to investigate, and what they find is that black voters have a tough time figuring out the ballots, because they're not very educated.

**HUSTLER:** That's what they actually said?

***PALAST:*** They reported on Ted Koppel that the reason so many black votes were voided is that, basically—in very polite, expert terms, in the way Ted always speaks from under his wig—blacks are too fucking dumb to figure out the ballots. But I went down to Tallahassee, and what I found out is that in white areas, when you have a paper ballot, and you make a mistake, it goes into an automatic reader—an optical reader. It comes back as a mistake, and you get another ballot, and you vote again. In black counties, you make a mistake, it goes into the same ballot, it's the same machine, and the ballot is destroyed. The buttons were set differently; so it wasn't that black voters were too dumb to vote. It was that the white reporters were too dumb to ask.

**HUSTLER:** Isn't it true that even with the fix put in by Jeb and Harris, Gore would have won if there had been a recount of all the ballots statewide?

***PALAST:*** Absolutely. Walking away, Gore won. People thought that they were voting for Al Gore. What they called a ballot that doesn't count is one where Al Gore's name is circled on a paper ballot. And listen to this: People wrote in the name *Al Gore* because the ballot said, "Write in candidate's name." And they wrote in Al Gore. If you wrote in Al Gore, because he wasn't a write-in candidate, your ballot was voided. And again, you gotta go back to the fact, it's not everybody's ballot that was voided. The blacker the ballot, the higher the chances it will not be counted, and that was the evil of it. That's the modern way: Use computers and mechanisms to steal elections, and if you know the race of a voter, you know the color of their vote.

**HUSTLER:** Any final words on the state of the American press?

***PALAST:*** Let's put it this way: This is the 30th anniversary of the Watergate break-in, and that means it's been 30 years since the *Washington Post* has broken a major story. I uncovered the story of the purged voters and broadcast it in Britain within three weeks of the election. Al Gore was still in the race. The *Washington Post* ran my story, seven months later, nicely buried there. W. is reading it in the White House and giggling to himself.

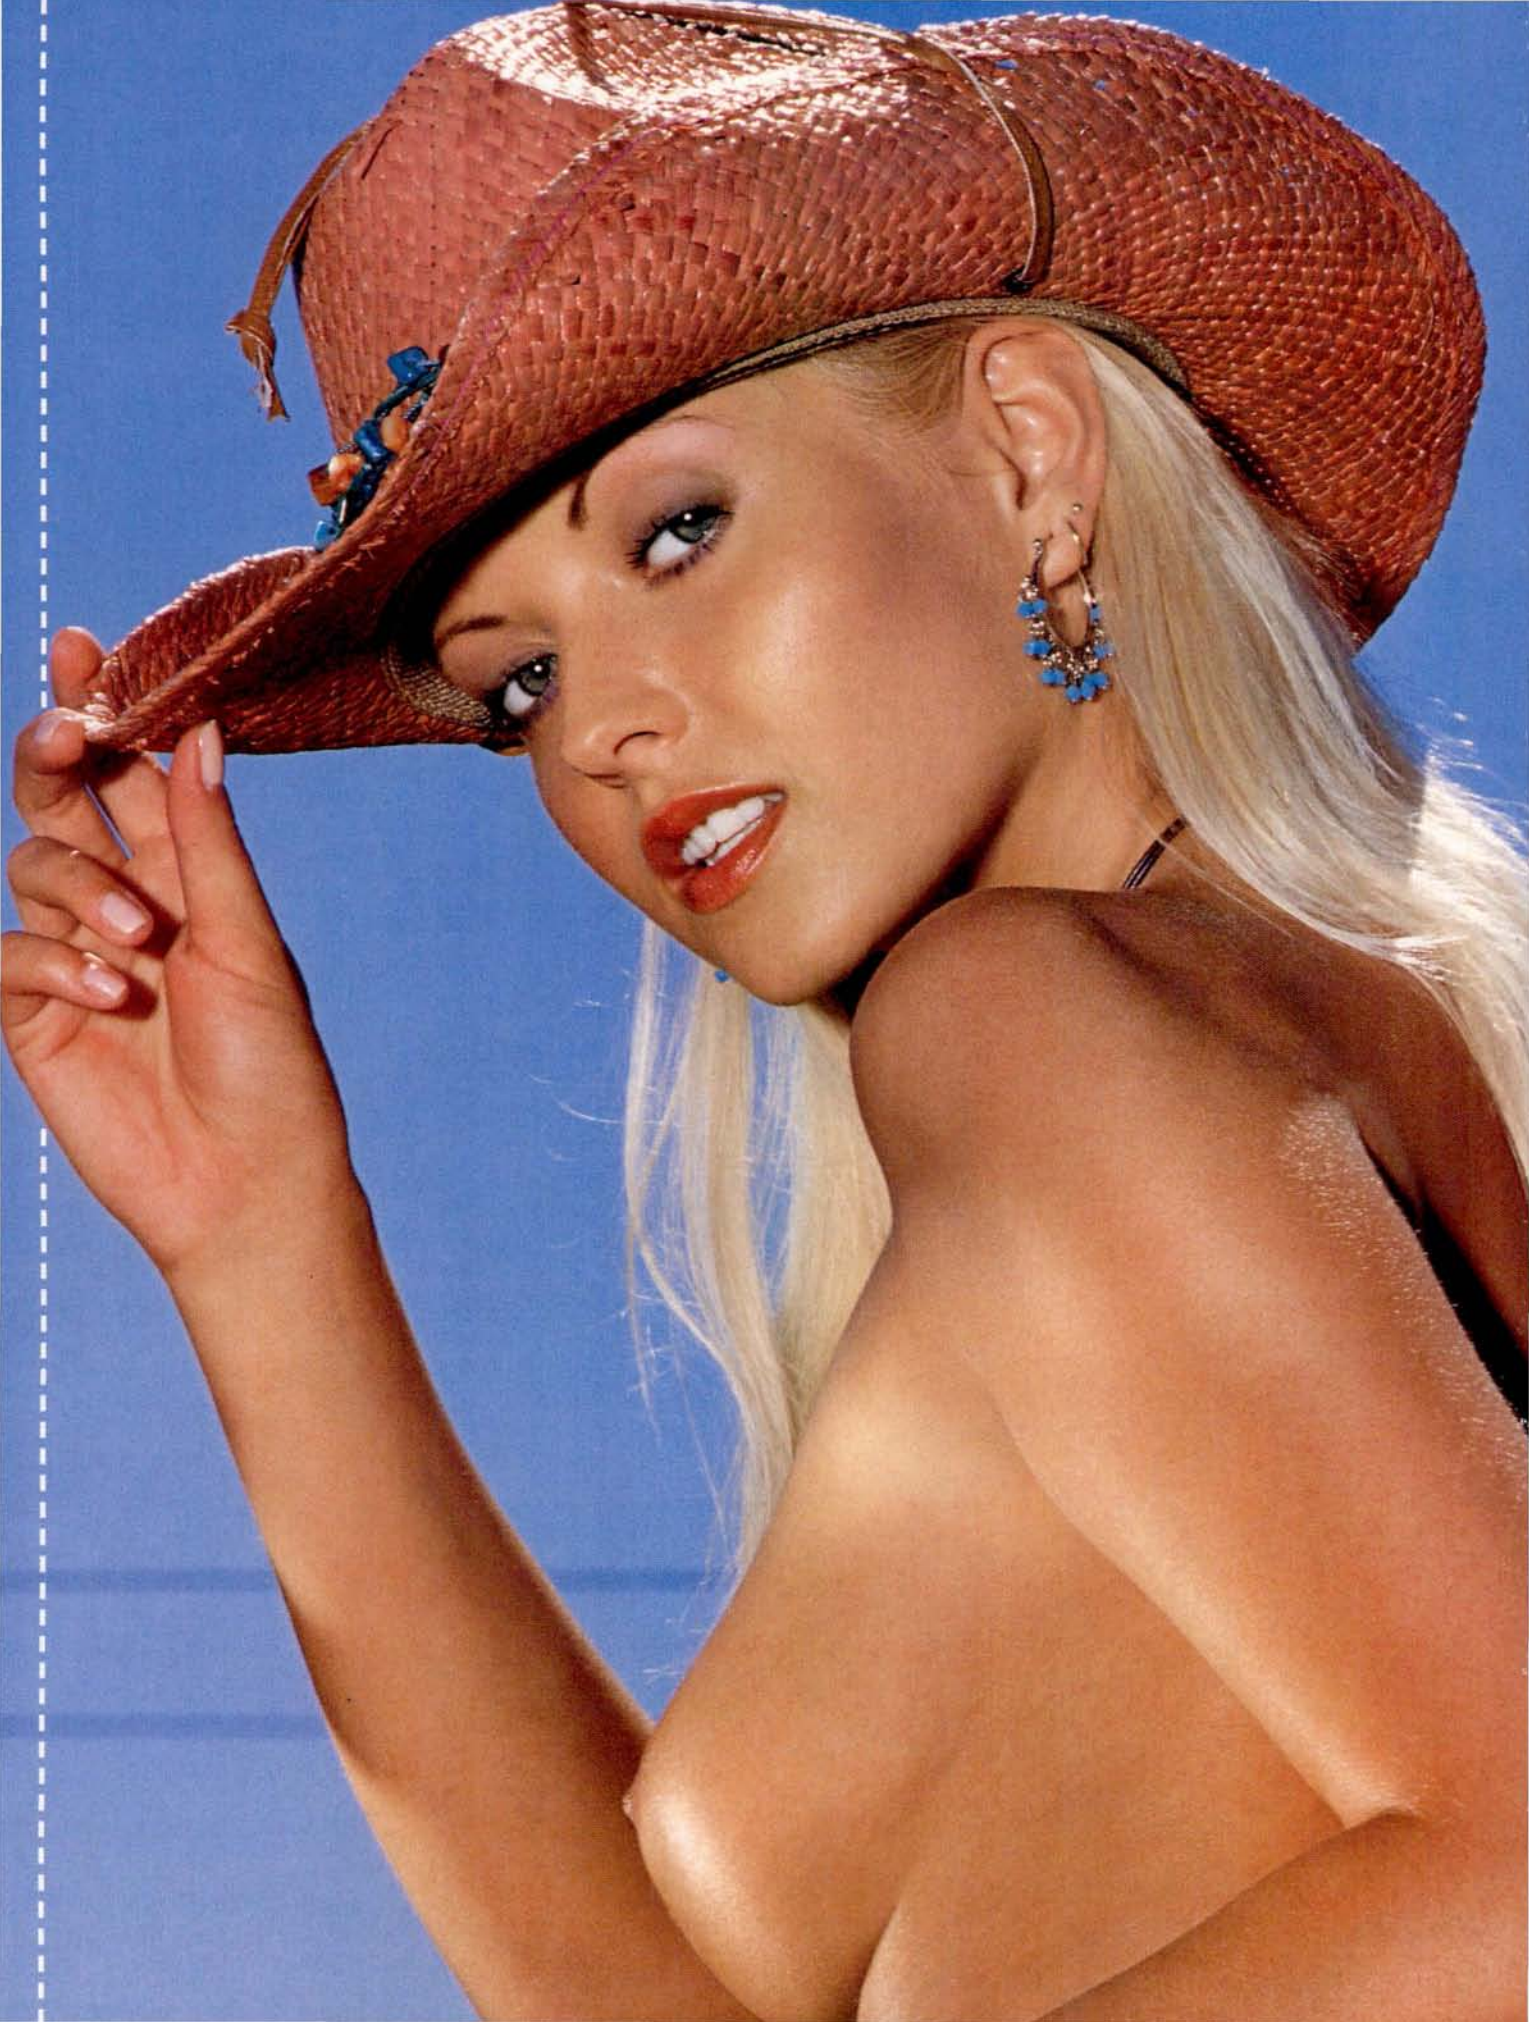
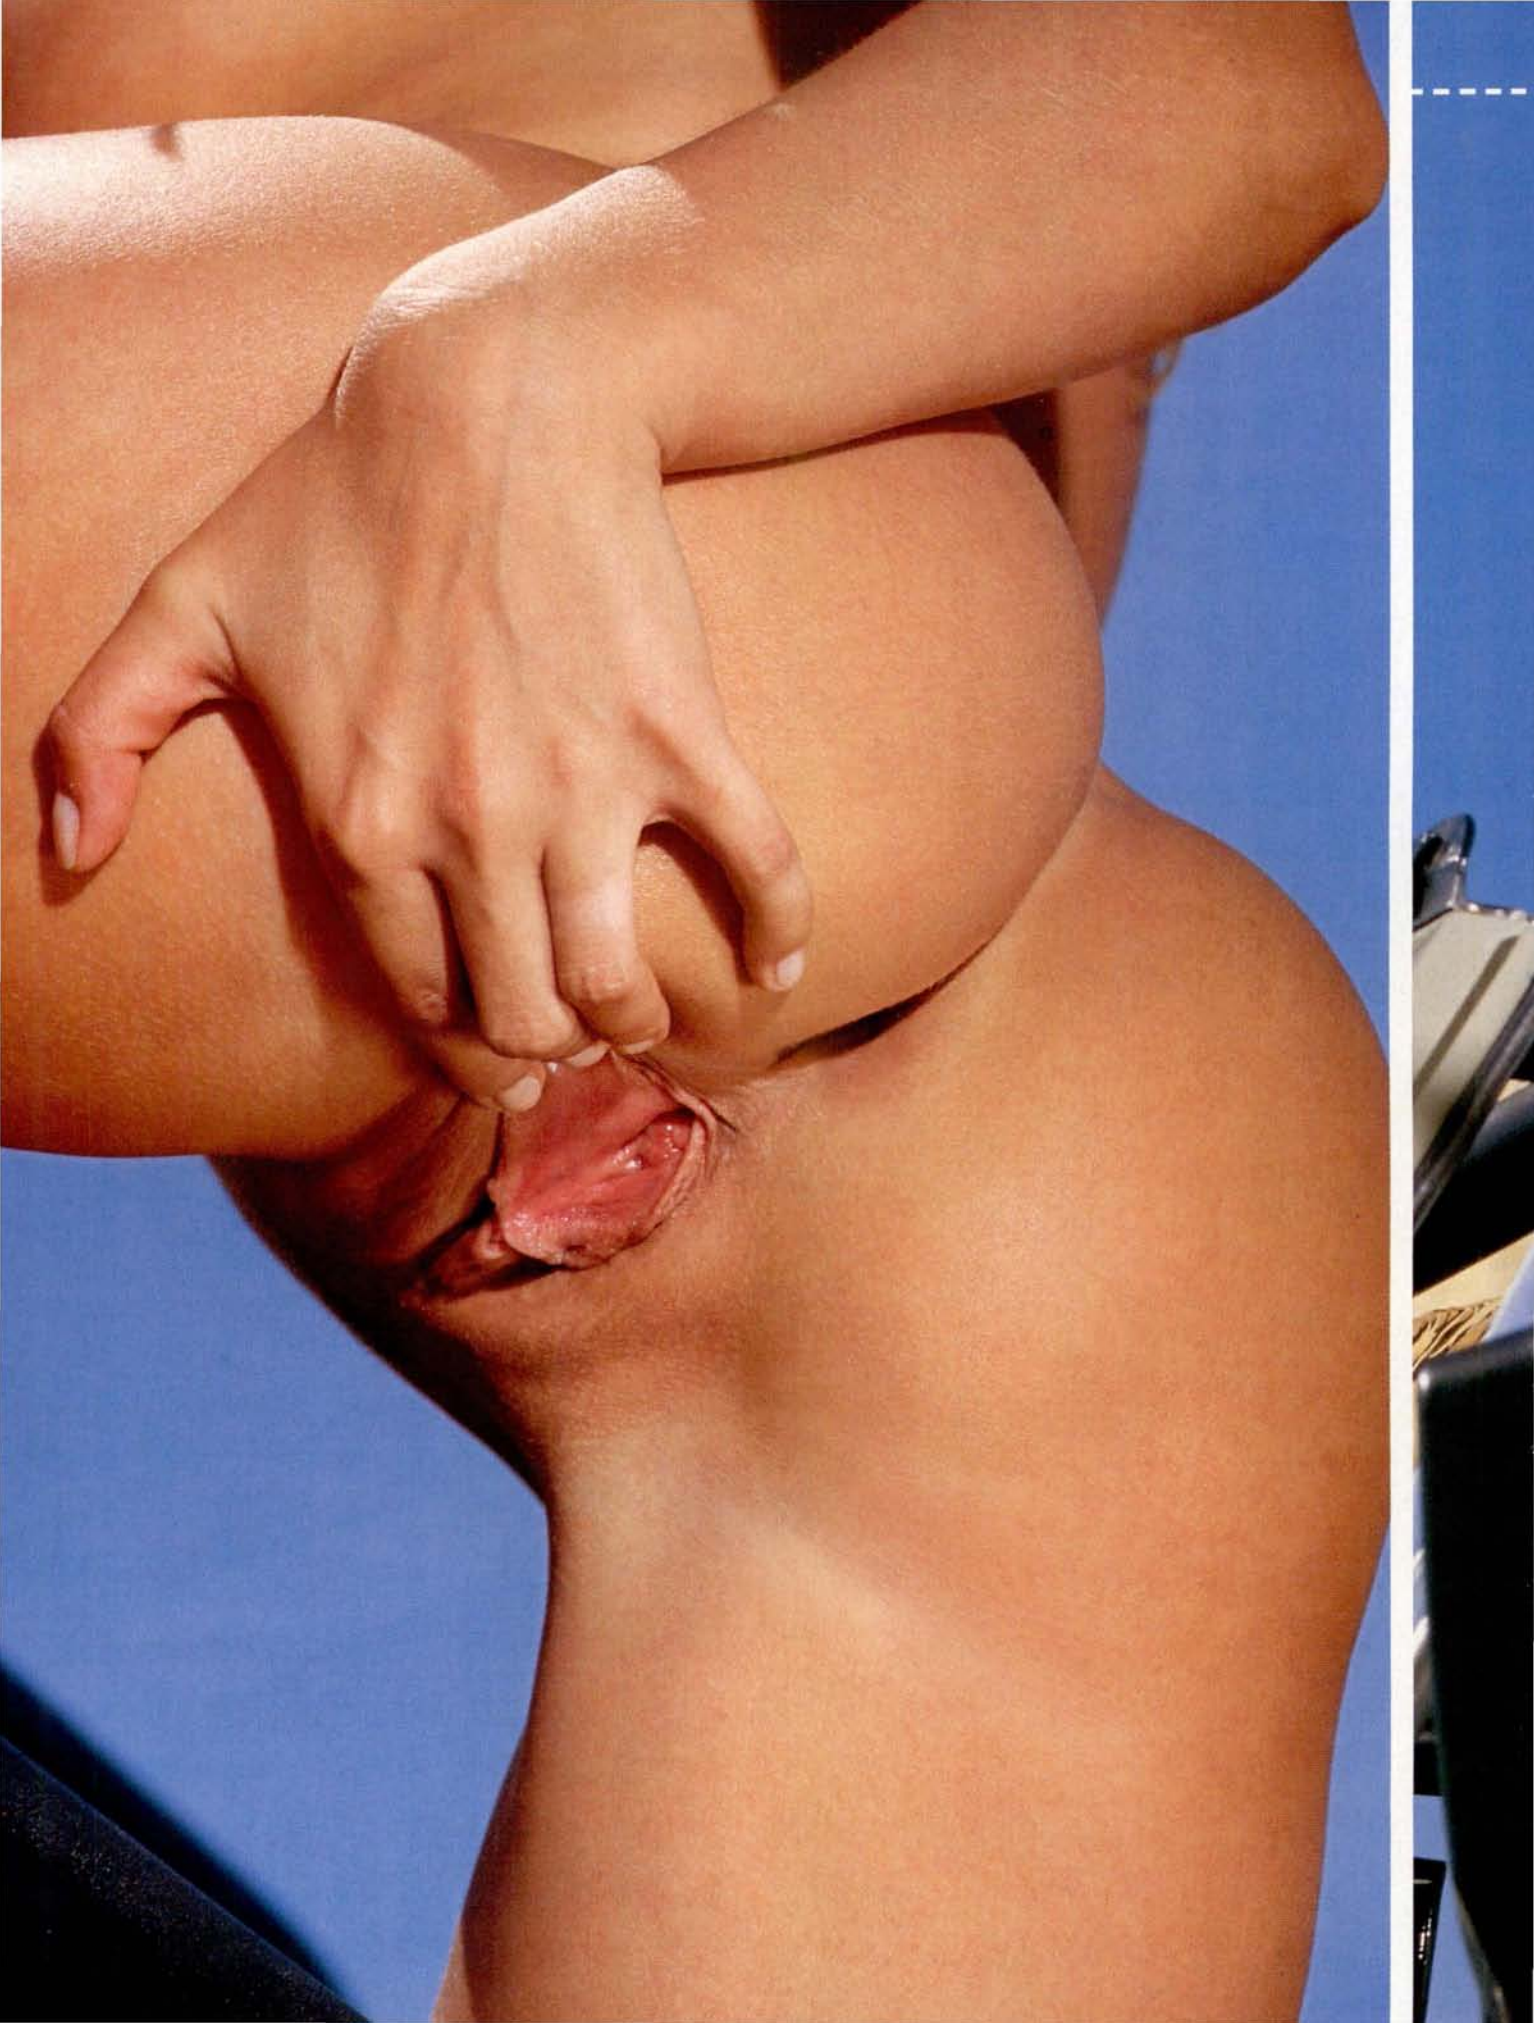
# Ride 'em Cowboy

# Jana

Jana, 22, hailing from Texas, tells us she likes to ride bucking stallions whenever she can.





Some chaps might call Jana a cowgirl, but we don't think the word *cow* and Jana should appear in the same sentence, although we'd sure like to taste her sweet milk.

Given her stunning good looks, it's no wonder that this heifer spurs men into action wherever she appears. "I'm always getting hit on," Jana admits, "but I am pretty choosy about who I go out with." What cowboy wouldn't want to corral this filly to give her a taste of some serious horse meat? Come to think of it, that would be a real cowpoke, wouldn't it?

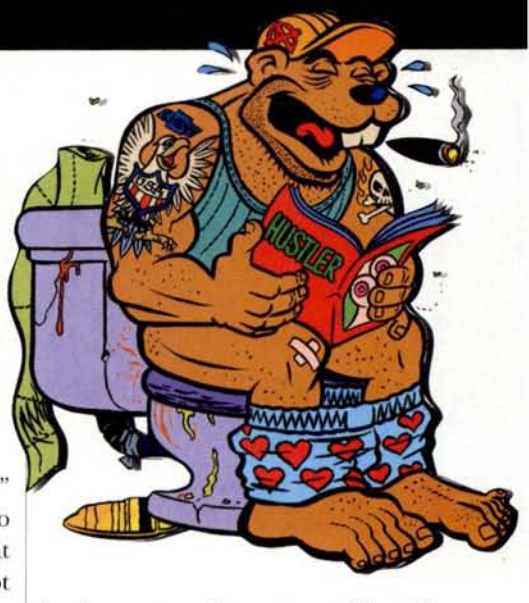
**Question: What's black and has 12 green tits? Answer: A garbage bag at a breast-cancer clinic.**



An elderly Frenchman asked the local priest to hear his confession. "Father, during World War II a beautiful woman knocked on my door and asked me to hide her from the Germans. I hid her in my attic," he began.

The priest replied, "That was a wonderful thing you did, and you have no need to confess."

"It's worse, Father. I was weak and told her she must repay me with sexual favors," the Frenchman continued.

"You were both in great danger and would have suffered terribly if the Germans had found her. God, in his wisdom and mercy, will balance the good and the evil, and judge you kindly. You are forgiven," the priest replied.

"Thank you, Father, that's a great load off my mind. I have one more question," the geezer added.

"And what would that be?" asked the cleric.

The old man whispered, "Should I tell her the war is over?"

A drunk Indian wandered into a frontier bar crying. The alarmed proprietor asked what was wrong.

"Sold little daughter for bottle of whiskey," the Native American sobbed.

"That's awful," the grizzled barkeep said.

"*Umm*," the red man agreed, bursting into tears again and crying, "still thirsty."

A man sat by an empty seat at the 50-yard line of the Super Bowl. A young football fan came down and asked if anyone was sitting in the seat next to him.

"No," he said, "this seat is empty."

"Incredible," said the kid. "Who in their right mind would have a seat like this for the Super Bowl and not use it?"

"Actually, the seat belongs to me," the man explained. "I was supposed to come with my wife, but she passed away. This is the first Super Bowl we haven't been to together since we wed in 1987."

"I'm so sorry to hear that," the young man offered, "but couldn't you find someone else—a friend or relative—to take the seat?"

"No," the man replied, "they're all at the funeral."

The HUSTLER Dictionary defines *semierect* as: Half hard-ed.

An ailing prostitute went to a doctor's office and was told by the medic, "I'll give you a full exam for $50."

"Okay, doc," the hooker shrugged, "but if you find it, I want half."

Question: Why do women get cramps?

Answer: Because they deserve it.

Two necrophiliacs were discussing their love interests when the first asked, "Whatever happened to that last girlfriend of yours?"

"The rotten cunt split on me," replied the second.

A traveling salesman visited a small town in the Midwest and saw a circus banner reading, "Don't Miss The Amazing Texan." Curious, he bought a ticket and went in. Spot-lit in the center ring was a table with three walnuts on it. Next to it stood an old cowboy. Suddenly, the geriatric man unzipped his pants, whipped out his huge cock and smashed all three walnuts with three devastating blows. The crowd erupted in applause, and the Texan was carried off on the audience's shoulders. Some 20 years later, the salesman visited the same little town and saw a faded sign for the same circus and the same act. Amazed that the guy was still alive and performing, the salesman bought another ticket. This time, instead of walnuts, three coconuts rested on the table. The stooped Texan again undid his fly and smashed the coconuts with three mighty swings of his tremendous wang. Flabbergasted, the salesman requested a meeting with the star after the show.

"You're incredible," he said to the cowboy. "But I have to ask you something. Why did you switch from walnuts to coconuts?"

"Well," the Texan explained, "My eyes aren't what they used to be."

# LAS VEGAS STRIPPER CONVENTION

## THE 2002 GENTLEMEN'S CLUB EXPO

**An army of pole dancers, their fans and flesh-trade entrepreneurs infest a Las Vegas hotel to meet, greet and compete. HUSTLER chronicles the sleaziest conference since the G8 summit.**

ON THE STRIP WITH
**DAN KAPELOVITZ**
AND **GIDDLE PARTRIDGE**

PHOTOGRAPHY BY
**FARIA** AND
**GIDDLE PARTRIDGE**

Every year, hundreds of exotic dancers, men's-club owners and lap dance fanatics congregate in Sin City for *Exotic Dancer* magazine's Gentlemen's Club Expo, the world's largest stripper convention. Tonight is the expo's awards gala, the stripper universe's version of the Academy Awards. Vacationing families at the Mandalay Bay Resort and Casino gawk at the gold-chained club owners, drooling mooks and costume-jewelry-clad bimbettes who are on their way to the event. Even though the striptease-biz conventioneers are dressed in their ceremony-attending best, tourists nonetheless nudge each other and giggle as the sexpots scurry into the theater with their oversized breast implants pouring out of pseudo-Vanna White gowns.

Between award presentations for such categories as "best full-nude club in the Midwest region," a handful of dancers provide "entertainment." Dressed in a black-and-white sequined tuxedo covered in red flames, striptease artist Aspen Reign lip-synchs to "Great Balls of Fire" as she humps a grand piano and head-bangs to the music. The blond, athletic performer yanks off her pull-away pants and removes her bra, revealing her red G-string and pasties.

By the bar in the theater's lobby, a few minor celebrities make the scene, including mole-faced Mötorhead frontman Lemmy, ExtenZe pitchman Ron Jeremy and porn legend Ginger Lynn, who is surrounded by porn paparazzi. "It's been wonderful," says Lynn of being recently profiled on the *E! True Hollywood Story*, "and much more exciting, I think, for the people at the grocery store."

In the girls' bathroom, strippers fondle each other and exchange tampons while gussying themselves up in the mirror. One of the many bleach-blond pole straddlers complains about her male meal ticket: "Oh my God, he's a stalker. I don't want to say anything because he kind of helps me out, but he acts like he's my boyfriend or something."

Blimp-boobed models Minka (72HH), Maxi Mounds (75MMM) and Kayla Kleevage (50III) spend the evening together in the lobby. The same plastic surgeon created the six megabreasts that collectively adorn the cantilevered trio.

"Jacktastic," a hard-core Minka devotee, is so excited about standing next to the self-proclaimed "largest-breasted Oriental in the world" that he appears ready to shoot his load in his pleated khaki slacks. "Minky is the

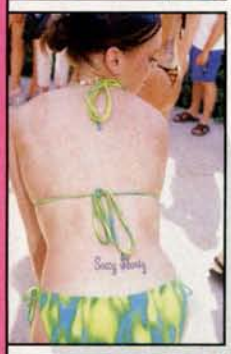
## HUSTLER NEEDLES STRIPPERS ABOUT THEIR TATTOOS

**Stripper:** Jordan
**Tattoo(s):** She-Devil, Panda Bear, Pegasus
**The Story Behind the Ink:**
*Jordan:* It's a she-devil, but I'm having it surgically removed right now. The panda bear on my shoulder is going through laser surgery too.
**HUSTLER:** It looks like a fanged panda bear.
*Jordan:* That's why they're getting removed, because they're evil-looking.
**HUSTLER:** Why did you decide to have Pegasus tattooed on your pubic bone?
*Jordan:* I was 15, and I didn't want my parents to see it. It's the only place they wouldn't look.



**Stripper:** Star
**Tattoo(s):** The words "Sexy Shorty"
**The Story Behind the Ink:**
**HUSTLER:** Why do you have "Sexy Shorty" tattooed on your back?
*Star:* Because I was really fucked up.

**Stripper:** Carrie Bear
**Tattoo(s):** Bedtime Bear
**The Story Behind the Ink:**
*Bear:* It's Bedtime Bear. He's my Care Bear. He was the first Care Bear I got. I wanted one so bad back when I was four years old, I took him everywhere; so now I'm going on 24, and this is my way to have him with me everywhere I go.

**Stripper:** Maxi Mounds
**Tattoo(s):** A horse, "Mom"
**The Story Behind the Ink:**
*Mounds:* My mother raises quarter horses, and I love my mom. It also stands for "Molester of Men," and when I stand on my head, it says, "Wow."

**Stripper:** Hayden Fox
**Tattoo(s):** A tribal design
**The Story Behind the Ink:**
*Fox:* I would never have gotten this tattoo if I didn't have my ex-boyfriend's name on my shoulder.
**HUSTLER:** How long did you go out with him?
*Fox:* Two months—I thought I loved him. It's a tribal band. It means, "Whatever can cover up his name."

star of the show," says the thirty-something man, who is actually one of the more normal-looking male attendees. Jacktastic has lost three girlfriends due to his Minka obsession. "They're just jealous of Minka," says the breast fiend, who, unlike the majority of the men HUSTLER spoke to, at least has had girlfriends to lose. "Big busts are a big turn-on; I like to put my cock between them and ride them like there's no tomorrow."

The next day, seminars are held on such topics as "The Fine Art of Marketing" and "Fighting Big Brother." The 100 or so club owners sit in rapt attention as Larry Boyd, founder of Guest Services International, lectures them on the importance of hiring a guy to hang out in the club's restroom to hand out paper towels and offer breath mints to patrons after they tap off at the urinal. "A professional bathroom attendant can be your eyes and ears, keep litter off the floor, the seats dry and the bathroom smelling better. Entertainers appreciate that their customers clean their hands. The most common objection to hiring a bathroom attendant is, 'My customers want privacy.' Privacy to do drugs? Privacy to vandalize the bathrooms and engage in sex?"

**In the girls' bathroom, strippers fondle each other and exchange tampons.**

Later that day, in the hotel's convention hall, rows of vendors promote their strip club-related products: everything from ATMs that dispense dollar bills for easier tipping to makeup that won't rub off on the crotch of a lap dance customer.

Attendees are instantly greeted by Vanna Lace, a garish stripper-turned-showgirl who go-go dances continually on a cube, which serves as her portable mini-stage. Batting her huge, fake eyelashes, the tan and incredibly fit spokesmodel simultaneously gyrates and speaks about her career: "I'm the first to go mainstream—to dance on the Strip. Come see me at Skintight at Harrah's."

Lightdancers, an "outreach ministry for exotic dancers," has its own booth. "We are here to offer them some spiritual encouragement and support," says the female half of the Christian couple. "We recognize that this industry tends to sap their spirits after a short while."

In the back of the hall, various peelers show off their wares, hoping to book feature-dancing gigs around the country. Kayla Kupcakes, dressed in a purple-and-teal, metallic Lycra bodysuit and feathered headdress, plucks away at her unplugged, flying-V guitar to "Feel Like Makin' Love." Although nudity is banned, one of Kayla's flesh-colored nipple bandages falls off mid-performance. "Those are the best cupcakes I've sever seen," quips the DJ, with what will have to pass for wit at this convention.

The last two days of the Expo are dubbed the Fan Fair—a chance for pole-dance aficionados to get within drooling distance of their favorite lap dancers. The Fan Fair's first event is the bikini contest. In a roped-off and out-of-view area near the hotel's wave pool, a slew of perverts watches in the sweltering desert heat as approximately 50 gals parade their itsy-bitsy two-pieces for the chance to win thousands of dollars in cash and bookings.

Backstage, girls slather baby oil on each other and help one another camouflage their ass acne with makeup. In a seeming attempt to impress the judges, many of the chicks sport French pedicures—a sign of stripper class. The majority of the gals' heels are ripped open from standing all day in cheap stilettos.

Two scouts from the *Ricki Lake Show* are backstage seeking "articulate strippers" to appear on the pleasantly plump television host's program.

A contest official explains the rules to the greased-up bikini babes. "We're judging on breasts, butt, legs, face and overall. If you touch your boobs, your butt or your bathing suit in any way, you will be disqualified. Any questions?"

"Can we do the splits?" asks a bathing suit beauty.

"No splits."

"Can we bend over?" asks a Hawaiian Tropic contest reject.

After a moment of thought, the official decides, "Yes, you can bend over."

## Avy and Dan

"This old world is getting me down," Avy sighs. "People are just too much for me to take." The blond temptress climbs up to the top of the stairs, her cares drifting right off into space.

The roof's the only place I know where I just have to wish to make it so," she smiles as Dan sprawls out on the couch. He grins devilishly, "Boy, Avy, you found a place smack-dab in the middle of town; a paradise that's trouble-proof." Avy releases her sweltering breasts and pinches the nipples until they are solid in excitement. "This old world started getting me down," she moans, "until I found there was room enough for two up on the roof."

"Just before I was about to stick my dick into her, a wad of yellow jizz oozed out of her twat."

**I don't know what horrible urban myths you've heard, but semen, so long as it's coming from someone you know and trust, is harmless. HIV and other sexually transmitted diseases are a risk whether you spit or swallow. A man's seminal flavor can be tweaked, if that's the problem. A change in diet and a decrease in smoking can make a guy's load taste less bitter. Barring any diseases, your partner's wad is completely innocuous; learn to love it.**

## Fellatio Secret

My girlfriend has a well-deserved reputation of being the best cocksucker in town. Her prick-eating skills are legendary. Every time she walks into a bar, half a dozen drinks are sent to her from admirers. I asked her secret, and she gave me a cryptic answer. "Fags," she said with a wink. Reno, Nevada

**Gay men, having cocks themselves, know a thing or two about sucking them. Homosexual men don't pussyfoot around a prick. They put a little more elbow-grease into their technique, because they know that cocks are sturdy tools that require a forceful hand. I'm sure your girlfriend picked up some oral tips and tricks from her queer friends.**

## Tramp Ripoff

The other day I tried to buy the services of a cut-rate hooker. Just before I was about to stick my dick into her, a wad of yellow jizz oozed out of her twat, and I completely lost my wood. Since we didn't fuck, I didn't want to pay, but she and her gorilla pimp insisted that I cough up the full price. I don't mean to be a crybaby, but I was in the right, wasn't I? I wouldn't have minded paying a percentage or something, but after shelling out a full-service fee for an upset stomach I feel totally ripped off. —M. Y.

**Yellow fluids are always bad. You made the right decision not to stick your wick into that weeping hole. A john isn't really purchasing a sex act when he hires the services of a prostitute, he's renting her time. Many hookers don't care how satisfied the john is; to them an hour is an hour. They clock in, clock out and collect their cash. Better whores are more attentive to their clients. These women want return business; so they make sure to leave their clients with a smile on their faces. Stop being such a cheapskate. Stay away from nasty street trash. Spend a little extra cash and hire a professional hooker. Your dick (and stomach) will thank you.**

## Red Wings

Is it dangerous to fuck a girl when she's on the rag? My girlfriend says that it's okay, but I would hate to aggravate her wound. I never got much of a sex education when I was a kid; so if this question is stupid, just chuck it in the trash.
—L. X.

**No question is stupid, L. X. Menstruation doesn't come from a cut or gash, but is a controlled bleeding that originates in the uterine walls, far beyond where your dick can reach. Many women find themselves extremely aroused during their periods; for others, fucking while Aunt Flo is in town is the furthest thing from their minds. Scientists have discovered that screwing can alleviate menstrual cramps and a good poke sometimes helps trigger a slow-starting period. If your woman is game to fuck while she's bleeding, and you feel comfortable red-dogging, then go for it.**

His homestead, the Doggpound, is a playa's Shangri-la where scantily clad hoochies soap up stretch Hummers and babes practice shakin' their thangs in hopes of being the best booty-mover in town. The enormous female cast satisfies in every way imaginable. A good pimp never plays favorites, but Flick Shagwell's stellar gangbang, Shyla Stylez's filthy servicing of a clown and Dee's lesbo romp all juiced this reviewer's gin. With its fantastic soundtrack and balls-out action, *Snoop Dogg's HUSTLAZ: Diary of a Pimp* becomes the ruler by which all other porn will be measured.

# Hard-Core

## JUDGING SMUT BY ITS COVER

A trained eye can tell a lot about a porn video by simply checking out the box cover. *Erotic Entertainment*'s smut experts run through a random sampling of XXX packages and give strokers the tools they need to make informed porn-shopping decisions.

**>>Sugar High Glitter City** (SIR Productions):
At first glance the title looks like your typical girl/girl slurpfest. The text on the cover, "100% Dyke Produced," clues us in that half the cast is going to be butch as hell. The sex is genuine clam-slapper hard-core, which won't appeal to lipstick-lezzie fans.

**>>Up 'n' Coming** (Caballero Video Company):
If you live under a rock and have never heard of Marilyn Chambers, take a hint from her feathered '80s hairdo. This is old-school porn; expect the flick to be shot on film and not as explicit as modern smut.

**>>American Girls 2** (Sin City Ultra):
Take a close look at the girls; they're airbrushed beyond recognition. An even closer examination reveals the images to be fairly pixelized. This means that all the box-art images were shot with a digital camera, which usually betrays a lower budget.

**>>Kink Club** (Adam & Eve Productions):
The cover is a nod to the *Fight Club* DVD packaging. The failure to emblazon images of the XXX stars on the front suggests that this title may be a compilation of recycled material.

**>>Heaven's Revenge** (Vivid Video):
Vivid has made a science of crafting slick box covers. Notice the flawless, well-lit glamour shot of Dasha and the feature-film-style layout for the credits. Vivid's generally consistent product is usually in line with its spiffy boxes, but other companies sometimes burn viewers by stuffing a stinker in a pretty package.

**>>Cocksmokers #44** (Extreme Associates):
Most gonzo is easy to spot; the gaudy design goes hand-in-hand with the over-the-top hard-core inside.

**>>Snoop Dogg's HUSTLAZ: Diary of a Pimp** (HUSTLER Video):
The biggest celebrity to appear in a porn film graces the cover of this historic flick. What other testimonial do you want?

## Sticky Side Up #5

**Directed by** Michael Stefano.
**Starring** Luna Blanca, Nellie Pierce, Sasha, Kara Nox, Kelly Warner, Lainey, Mercedes Ashley, Brandy Lyons, Mark Woods, Brett Rockman and Michael Stefano.
**Videocassette:** West Coast Productions.

Strokers who can stand prolonged shots of director/swordsman Michael Stefano's grimacing mug as he drills his way through a handful of attractive strumpets should find that *Sticky Side Up #5* gets the job done. The segments where Stefano stays behind the camera, such as the threesome with Mercedes Ashley, Kara Nox and Brett Rockman, are strokeworthy. The eager cumbuckets pounce on Rockman's schwang, taking turns stretching out their holes with either Rockman or a handy dildo until he glazes them with ball batter. In another fist-pumping feast, sweet-faced Sasha is thoroughly debased by Neanderthal mook Mark Woods. But when Stefano and his slits appear, the camera work is lazy, and Stefano's constant dirty talk is irritating. *Sticky Side Up #5* shows that Stefano's talents are best utilized in the director's chair.

## Brittney Skye a.k.a. Filthy Whore

**Directed by** Kid Tea.
**Starring** Brittney Skye, Evan Stone, Joel Lawrence, Lee Stone and Chris Cannon.
**Videocassette:** X-Traordinary Video.

A stellar porn newcomer shows her true colors in *Brittney Skye a.k.a. Filthy Whore*. Okay, so Brittney's been in the business for about a year now, but this five-scene compilation collects some of her earliest stabs at blue-screen raunchiness. Skye proves her mettle early on with the kind of natural spunk and vitality truly deserving of the moniker "porn star." Start with the dirty blonde's looks: Her face is naturally attractive, reminiscent of a young Jenna Jameson. The XXX initiate's tits are the rare kind of store-bought chest pillows that make you smile, rather than wince. When she lies down on the job, Brittney really shines. For being so new to the game, Skye takes poundings like a seasoned pro. She growls as cocks slide in and out of her slit. She gobbles pricks hungrily, clutching her cooch as she blows (a sure sign of a horndog). *Brittney Skye a.k.a. Filthy Whore* is a killer introduction to a talented slut that *Erotic Entertainment* would love to see more of.

## Kneepad Nymphos #4

**Starring** Drew Hurlie, Jasmine Divine, Jennifer Nyce, Gabriella Banks, Kurious, Stacy, Ashley Brooks, Makenzie Wilson, Summer Haze, Rhiannon Bray, Holli Miles and Dave Cummings.
**Videocassette:** Dave Cummings Productions.

In *Kneepad Nymphos #4*, decorated war veteran Dave Cummings celebrates his 62nd birthday in style. After the tireless swordsman dribbles his splooge on video whores Gabriella Banks and Kurious, he cleans himself up and heads out the door to apply for Social Security. A cable-television crew follows Dave around and interviews the senior woodsman, who likes to sport formal military dress when he's not having his balls licked by a moon-faced 19-year-old. Despite being a ripe target for ridicule, Cummings earns begrudging respect. After all, the old fart does manage to violate 11 reasonably cute sluts with his seed. He's courteous and makes sure that each gash is equipped with knee pads to protect her during the outrageous sexual positions boasted about on the box cover. Ultimately, *Kneepad Nymphos #4* stands tall as a fitting tribute to an American patriot.

## Hard Tails

**Directed by** Robby D.
**Starring** Taylor Hayes, Cheyenne Silver, Bobby Barrington, Cherie, Marty Romano, Frank Bukkwyd, Cheyne Collins, Steven St. Croix, Dale D'Bone and Anthony Crane.
**Videocassette:** Vivid Video.

Fans who have previously been absolutely bonkers for Taylor Hayes and spent every weekend at their hometown raincoater's emporium scouring the racks for Taylor Hayes vehicles will find their appreciation of the slutty brunette strained by her latest effort. In *Hard Tails*, Taylor fucks in three scenes, but doesn't generate one iota of the heat she did in *Dangerous* or *The Maseusse 3*, let alone her fabulous anal adventures with Seymore Butts. During her first of two scenes porking Cheyne Collins, Taylor's manicured fingers slip down toward her pooper, a holdover maneuver from the tramp's glory days. Sadly, the digits never enter her blessed turd hole. The embittered viewer can't help but think of days past, when a lanky tramp compelled him to blow load after load. The Taylor Hayes of *Hard Tails* leaves loins soft.

## 69th & Anal Street

**Directed by** Skye Blue.
**Starring** Julie Meadows, Dru Berrymore, T. J. Hart, Dynamite, Summer Cummings, Skye Blue, Amber Michaels, Frank Fortuna, Chris Cannon, Marty Romano, Alec Metro, Billy Glide and Pat Myne.
**Videocassette:** VCA Pictures.

Creating an X-rated, noir-detective story with robots and random sci-fi touches is tricky. *69th & Anal Street* deserves credit—not for successfully mixing genres, but for keeping the anal sex on center stage. Julie Meadows, fresh from her appearance in *Punch Drunk Love*, gives a much deeper performance as a lethal ass queen whose tight mud chute makes mooks foam at the mouth and keel over. The blond fuck pixie undergoes rectal plundering in multiple scenes. Fans of Julie, or ass-reaming in general, will be happy as pigs in shit with the results. An inexplicable rut between Amber Michaels and Frank Fortuna, in which the two are supposed to be butt-sex-obsessed robots, is also worth mentioning. Amber's noisy blowjob is alone worth the suspension of disbelief. Pervs who prefer an offbeat treat for their meat should go directly to the corner of *69th & Anal Street*.

**—C. T.**

## Boobsville P.D.

**Directed by** Skye Blue.
**Starring** Minka, Kandi Kox, Mia Miluv, Evan Stone, Marty Romano and Lenny Miluv.
**Videocassette:** Xavier Productions.

There are only three starlets in *Boobsville P.D.* Granted, each of the busty fuck sluts has enough phony flesh strapped onto her chest to outweigh the entire cast of a BARELY LEGAL video, but this excess mammary meat is still no excuse for delivering a measly three hard-core scenes. The meager humping this light package does contain is decent enough. Kandi Kox busts Evan Stone, a ninja computer thief. The crook seduces the top-heavy officer, tugging on her nerps as if they were two water balloons. Minka's astounding jugs provide the perfect place for Marty Romano to hide his piece in a later scene. The stud's meat becomes lost in the enormous boob valley, but fills the Asian breast queen's gash nicely. Systematic pounding drives the babe to orgasm, which she expresses by clearing her throat with a series of sharp coughs. Mia Miluv is a looker in and out of uniform, and delivers a great fuck, but the niggardly fuck footage makes *Boobsville P.D.* a bust.

## Young Ripe Mellons #1

**Directed by** Vince Vouyer.
**Starring** Lolly, Piper, Loni, Cameron, Taylor Lynn, Avy Scott, Carmen, Lee Stone, Mark Davis, Brian Pumper, Sledgehammer, Steve Holmes, Tony Tedeschi and Vince Vouyer.
**Videocassette:** Red Light District.

*Young Ripe Mellons #1* [sic] director Vince Vouyer [sic] doesn't need to know how to spell, because all of his voluptuous young whores can fuck like champs. Even shy newcomer Cameron, a bottle-blond Southern girl with flawless, 36C chest sacks, has no problem slamming away veteran swordsman Tony Tedeschi's fat salami. Tony makes the funniest scary monster sounds since Lexington Steele as he pounds Cameron's pink snatch in what's only her second scene on film. After Tony squirts, Cameron continues hoovering his meat so ferociously that the overwhelmed stud goes into seizures. Other highlights include Lolly, a spicy, 19-year-old Latina with stunningly jiggly jugs, and Avy Scott, who politely sucks off director Vouyer before Mark Davis arrives to fuck her raw. Without a single lame scene, *Young Ripe Mellons #1* is an outstanding example of filth that's ready to be plucked, spelling be damned.

**—C. T.**

## Backseat Driver #16

**Directed by** Michael Adams.
**Starring** Brandy Lyons, Karianna, Nika, Olivia Saint, Jean Kelli, Envy Mi, Alex Sanders, Brian Surewood, Tice Bune, Mark Woods and Mr. Pete.
**Videocassette:** Toxxxic Entertainment.

*Backseat Driver #16* reminds viewers of an anal sex truism. When an orifice whose job is to squeeze out a soft-serve cylinder of turd every day is crammed full of rigid flesh, the results are *supposed* to look painful. Envy Mi's beautiful grimaces telegraph this message as she sits down on a rod. Mi dutifully bounces up and down on the tool, but the beads of sweat that form on her upper lip betray the fire burning in her sphincters. Mr. Pete bends the rectal trouper over to pound her ass from behind; he stirs his cock in her poop canal as she bleats like a woman attempting to pass a bowling ball through her colon. Slender hick-chick Brandy Lyons can make a cock disappear into her nethers like magic. After her sleight-of-ass display, she gargles jizz in her gaping holes. *Backseat Driver #16* steers strokers in the right direction by flaunting rectal wear and tear.

# C lling It Quit

## A HUSTLER EDITOR SWEARS OFF PORN-CHICK SEX

**I'm never fucking a porn star again. I'm tired of fearfully questioning my professional dates about the quantity of dicks they've sucked that day and wondering why I wasn't informed of the 20-dude gang-bang they participated in earlier. I'm sick of thinking maybe—just maybe—something meaningful could blossom with a blue-screen performer, only to overhear at some industry party that horse-cocked Lexington Steele is also banging the same broad.**

**The prospect of nailing porn stars may sound fun, but for every fulfilling experience with a Jewel De'Nyle, I've faced equally disastrous carnal encounters that resulted in painful gonorrhea treatments. For every HUSTLER Christmas party date who enthusiastically urinated in the hotel parking lot, a psychotic porn princess has simultaneously polished my knob and screamed into a phone at her kid for smoking the weed she had left lying around the house.**

**My reasons for ditching the world of professional sexual encounters are sound. First off, I already fucked 2001 AVN Female Performer of the Year, Jewel De'Nyle. Where can I go from there? Secondly, my well-chronicled escapades with XXX honeys are not a good foundation for a relationship with someone outside the industry; only time or a name change will heal me of these dreadful reminders. In addition, discovering that your girlfriend was starring in the latest installment of *American Bukkake* when she said she was home visiting her folks is devastating. From now on I'm sticking to normal girls with normal problems, unless Jenna Jameson, Raylene, Tera Patrick and/or Devinn Lane are interested in a nice, skinny Jewish boy with a good job and his own rock band.**

**Directed by** Red Ezra.
**Starring** Devinn Lane, Stephanie Swift, Felecia, Nikita Denise, April, Nicole Sheridan, Wanda Curtis, Jewell Marceau, Ann Marie, Michelle Michaels and Cherry Rain.
**Videocassette:** Wicked Pictures.

*After Hours* is a hoity-toity lesbofest in which Devinn Lane's pendulous knockers are worshipped by an army of gorgeous video gash. Devinn portrays a maid who cleans movie soundstages and contrives fantasies about each of the sets she sweeps up. Despite dopey voice-overs and artsy-fartsy settings, the sheer quality of twat-lickers helps the tape earn oodles of one-handed applause. What deviant can resist watching April play a dildo-wielding alien dyke who probes Devinn's tender holes? Wanda Curtis also swells bones as a latex-encased submissive that Devinn torments with an arsenal of naughty tools. Natural or not, Curtis sports one of the most incredible bodies in the jizz biz, and it looks absolutely flawless here. Although slick enough for couples, *After Hours*'s stellar slits will keep even the most twisted stroker up all night.

## The Merger

**Directed by** Nicholas Steele.
**Starring** Nikita Denise, Becca Bratt, Avy Scott, Jana Cova, Ashley, Cameron Cruise, Randy Spears, Steve Holmes, Lee Stone and Steven St. Croix.
**Videocassette:** Adam & Eve Productions.

If a genie appeared and granted you the ability to fuck one porn star, you'd be a chump not to pick *The Merger*'s star Nikita Denise. Not only is the Eastern-bloc tramp tall, stunning and nearly flawless, but she also excels in the art of acting like she enjoys being fucked. Too many starlets, some of whom are arguably cuter than Denise, do little to sell the sex act they're performing. They lie on their backs, mew a little, then watch the clock until the pop-shot. Nikita's eyes smolder when a businessman crams his pork into her mouth. As Randy Spears bangs her from behind, the tramp forcibly slams her cooch back, driving the meat in deeper. When jizz erupts in her face, the brunet hellion hungrily laps the splooge with her devilish tongue. Jana Cova and Cameron Cruise's lesbo tryst also makes *The Merger* a sound investment.

## Paradise Lost

**Directed by** Michael Raven.
**Starring** Julia Ann, Monica Mayhem, April, Tanya Danielle, Krystal Summers, Jana Cova, Phoenix Ray, Olivia Del Rio, Wendy Divine, Lee Stone, Randy Spears, Alex Sanders, Mr. Marcus and Steven St. Croix.
**Videocassette:** Sin City Films.

*Paradise Lost* is an impressive piece of work for a stroke flick. Showy costumes, extravagant sets, and *Matrix*-style shots of Mr. Marcus being blown by April and Olivia Del Rio add serious production value. Sadly, a fair amount of pretentious bullshit bogs the flick down, keeping it from being a blue-screen milestone. What do you expect from a porn that begins with a quote from John Milton? *Hmm*; was Milton telling us that being bad is more fun than being good? We may never know, but watching Krystal Summers and Alex Sanders screw while they're painted to look like marble statues is pretty entertaining. Each of the tape's ruts features some fancy-pants production design or camera work, but in a scene with Lee Stone boffing Phoenix Ray, the prosthetic makeup truly becomes a distraction. Ultimately, *Paradise Lost* doesn't enter stroker heaven, but it comes close.

**—C. T.**

### Rating Guide

**Fully Erect**
Superior. A top production.

**Three-Quarters Erect**

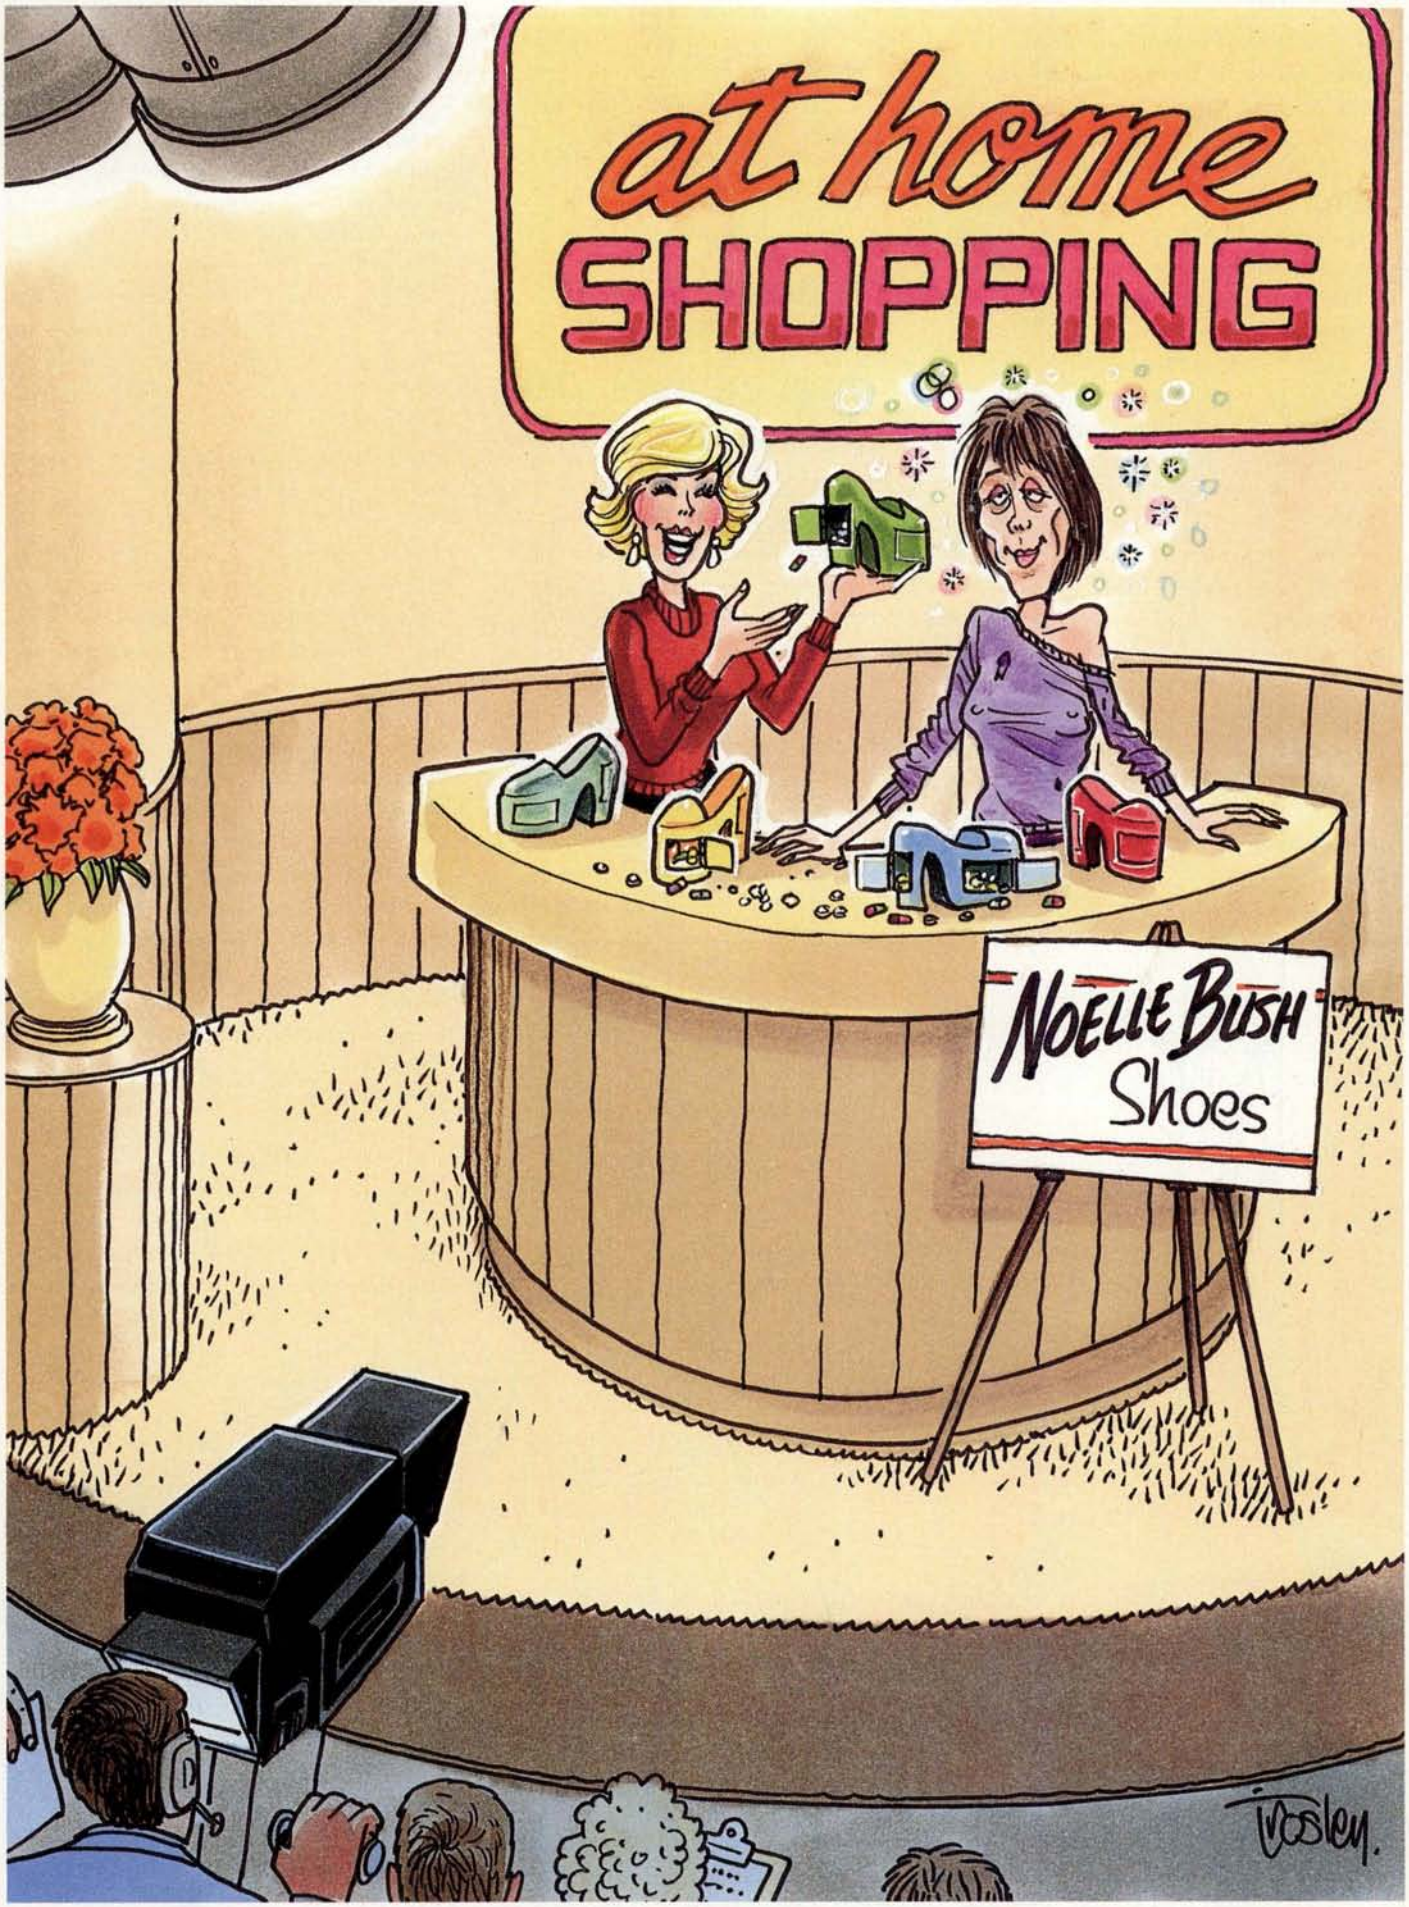
**Half Erect**
Standard fare. Has moments.

**One-Quarter Erect**
Poor. Don't expect much.

**Totally Limp**
A waste of time and money.



*"Whether it be grams or ounces, capsules or caplets, they all have a convenient place in this new line of shoes from Noelle Bush!"*

(continued from page 94) ing a difficult time going onstage in numerical order. A well-built, mathematically challenged brunette struts across the platform in a gold lamé, two-piece bathing suit that barely covers her nipples and gash, causing an overzealous audience member to stand up and bark like a dog.

After the competition, fans who have paid for a VIP pass are allowed to snap pictures of the contestants. The horde of amateur pornographers pleads with the three ladies who have agreed to stick around for the photo op to strike more explicit poses. "Come on, give us a Christmas shot," begs one shutterbug.

After a few minutes, the girls take off, and a thick-necked man in a yellow SECURITY T-shirt informs the pervert paparazzi that the photo-session is over. The 30 or so lensmen grow angry that they sat in the boiling sun for hours only to have their hopes of obtaining adequate masturbation material dashed.

"This blows," says Angelo Nusumeci, a payroll processor who came all the way from Philadelphia, to ogle the bikini-clad meat. "We paid $200. Last year at Caesar's was way better."

"Don't blame us," says the security guard. "Blame the ladies; it's hot, and they don't want to hang around."

* * *

That evening, the Miss Exotic Dancer USA Contest—the Miss America Pageant for pole dancers—is held at Little Darlings, an all-nude, nonalcoholic strip joint. Twenty-one gals, each the winner of her statewide preliminary competition, perform elaborate, ten-minute sets in the smoky, neon-lit club.

**A black stripper deep-throats a rolled up 8x10 picture of herself.**

Just as the show starts, a male audience member verbally insults 2002 Entertainer of the Year winner Mercedez, prompting another gent to defend her honor. A melee breaks out, and a mass of bouncers, brawlers and bystanders knock over tables and chairs, nearly crushing an innocent photographer. The theory that serving Red Bull instead of whiskey will prevent violence is obviously wrong.

Ryan Stone, a tan dancer with a black, braided ponytail bobby pinned to the top of her head, takes to the stage in a rubber ninja costume, equipped with a nunchaku and studded ski mask. Her performance resembles a Tae Bo workout video.

Next up, a black stripper in a New Wave getup deep-throats a rolled up 8x10 picture of herself after shoving it down the front and the back of her G-string. Fans fight for the glossy head shot, which has been anointed with cunt juice, ass-crack sweat and saliva.

* * *

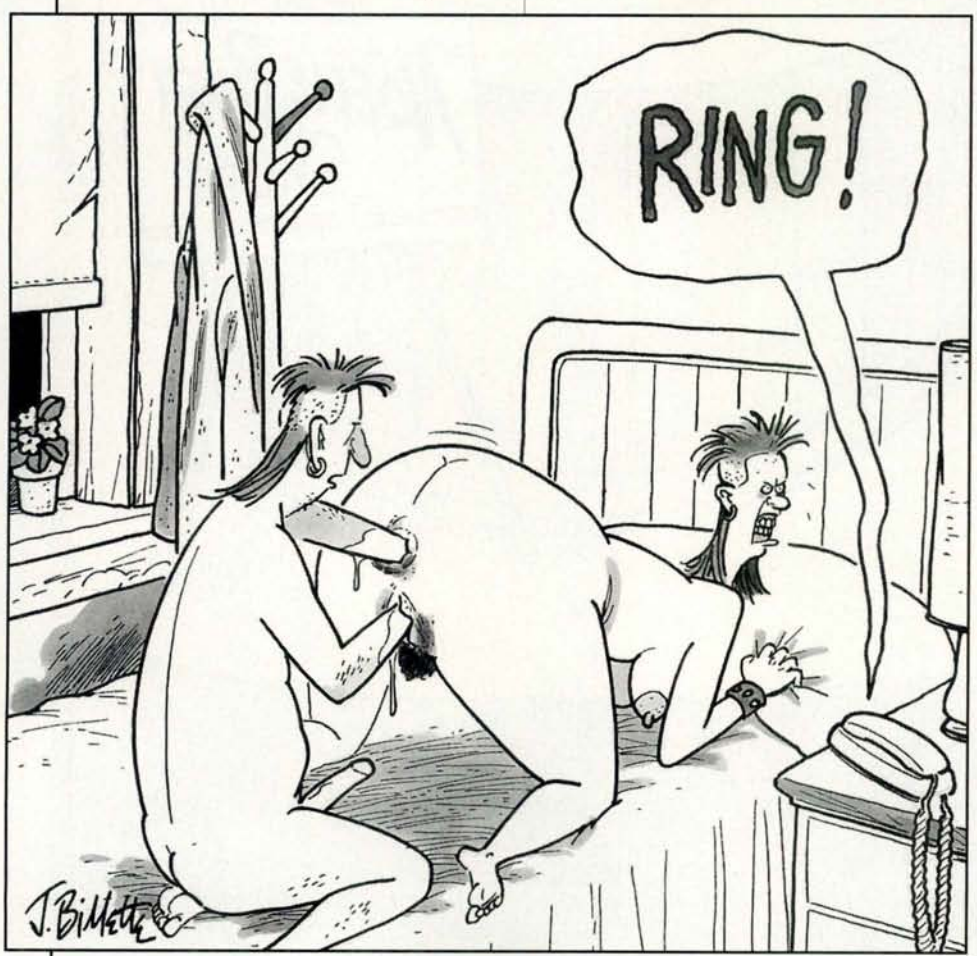
The climax of the festivities is the strip club meet and greet. While the mega-breasted chicks were absent from the previous night's contest, tit queens dominate today's event. The Paradise Club allows the girls to take off their tops, but only if they have purchased a $60 sheriff's card. Kayla Kupcakes is pissed; she didn't know about the county's revenue-generating scam and is therefore forbidden from removing her clothes. Barely any fans buy her Polaroids. Why would they, when they can purchase a genuine autographed picture of their heads smushed between exposed, tan, fleshy augmentations, even if they do resemble stretched-out, sutured-up, overinflated beachballs?

A topless blonde in a leopard-print skirt is working one of her fans, an 83-year-old widower from Chicago, who has been an admirer of strippers ever since he saw Margie Hart perform in 1938. The dancer keeps convincing the man to give her money, and he happily obliges.

Across the room, Chelsea Charms, whose gargantuan silicone sacks are five times the size of her head, attempts to sell her *über*-bras for 90 bucks.

A dancer enthusiast from Phoenix is snapping photos for his "Boob Brothers" Yahoo! chat group. He explains that he likes strippers because they are "larger than life," presumably speaking of their teats, and that he only buys Polaroids of the titanic-titted chicks because he can see the regular girls at his local strip club. "If you're spending money," he says, "you want a spectacular picture that has some meaning."

At least as much meaning as a snapshot of a couple of overstuffed melons is capable of conveying.



*"You're gonna have to get that, babe."*

**"While Carmen oozed pussy juice into my hardworking mouth, she begged for a chance to eat my cock."**

(continued from page 30) a chance for cock once her shyness was eased. I knew if I could give her a glimpse of my huge schlong, Carmen wouldn't resist spreading and letting me ram my meat into her Sicilian pie.

Before I could "accidentally" arrange a peek, believe it or not, my roommate walked in on me taking a leak one afternoon. I'd left the bathroom door open, figuring she wasn't home, but Carmen had been napping in her bedroom. The petite beauty's eyes bugged out when she saw me shake the last drops from my dong. She gazed as if hypnotized at my rapidly growing prick. Since she didn't run away on sight, I pressed my advantage and stroked my cock slowly, teasing her with the prize that awaited her snatch.

Carmen stepped forward cautiously. I told her she was incredibly beautiful, and how much I admired her firm, lickable titties. She didn't appear to mind, or even notice the sweet talk; she seemed mesmerized by the sight of my tool.

I dropped my jeans and boxers, kicking them aside, and watched in delirious pleasure as my roomie removed her T-shirt, flowery bra and pants. I gently pulled down her lacy panties, exposing her fragrant fuckhole, which was pink, wet and graced with a wiry, brown bush that glistened with pussy dew.

Carmen rubbed her small hand flirtatiously over the flaps of her cunt, tempting me, then slid a finger inside to tickle her clit. I knelt down and dived headfirst into her trap, burying my face in her hungry beaver. The warm, meaty smell of excited, Italian 18-year-old cunt drove me fucking wild. I chowed down on her plum pussy like a starving dog.

The succulent Mediterranean whimpered as I ate her tasty twat. While Carmen oozed pussy juice into my hardworking mouth, she begged for a chance to eat my cock. I wholeheartedly consented, and soon discovered the bookworm's unbelievable skill at cocksucking. As I'd hoped, she blew dick like the government blows money, hoovering my rod into her tight throat like it was the most natural thing in the world. After a full ten minutes of her slurping and sucking me to the brink, she had to take a breather, which made me want to gag her all the more.

When Carmen went for my dick again, I told her nonchalantly that I wanted to fuck instead. Obediently, my roommate lay down on the floor and spread her olive-toned legs, offering her scrumptious slit like a bull's-eye for my weapon. She was so horny that she let me pile-drive her right on the john floor. I didn't really give a damn where we fucked.

Mounting the impatient bitch, I rammed my pud into her so hard that she squealed like an electrocuted pig. The more fiercely I porked Carmen, the nastier she became, begging me to teach her a lesson and treat her like the cock-hungry slut she was. After a good few minutes of pounding her slick poontang, I was on the verge of coming.

Carmen begged me to keep going and ream her raw. I appreciated the lay, but my father always taught me that when a guy's got to pop, he can't wait around for whatever pussy he's fucking to finally reach orgasm.

I pulled my boner out of the moist pit and let it blast, spewing my spunk all over Carmen's face until her pretty, college-girl mug was covered and slick. Her Italian features looked damned good plastered with my all-American jizz.

As I dressed I realized I only had a few minutes to get to class; so I left Carmen there on the bathroom floor, pussy and face dripping. Her cunt had served its purpose well, but now I had my education to attend to.

Carmen let me screw her many more times that year—at night, in the morning and whenever she tired of her dildo collection. It's funny, but whenever I heard her play with herself in her room, I could swear she called out my name when she climaxed.

I'm going to graduate in the spring of next year. The best piece of advice I can give to incoming freshmen is to not overlook the studious, shy types. They can be the most fun. -K. J.

*Elle, 34, hails from Dallas, Texas, where she pleases the populace as an adult entertainer. When this spicy dish isn't going to the movies or swimming, she daydreams of screwing "two men, one in front and one in back."*
*—Photo by Friend*

*Stacey, 20, of Bedford, Ohio, enjoys swimming, camping and watching movies. This beautiful Buckeye didn't mention her occupation, but she did admit a long-held desire "to have a threesome." That works for us.*

## You Will Have These Penis Gains In A Few Weeks!

Just imagine when your sex partner sees how thick and long and hard you are. How about when men will gasp with envy the first time they see the new you in a locker room, shower or gym. Your larger penis will give you the confidence to meet the challenge of any woman. Penetrate deeper and see just how much greater satisfaction your sex partner will have. You will feel in total command because now any possibility of going soft, and premature ejaculation will be eliminated with your new rock hard much larger penis.

### HOW DOES PRO+PLUS PILLS ENLARGE YOUR PENIS?

The corpa cavernosa are the two spongy bodies of erectile tissue on either side of the penis. An erection is caused by blood filling the erectile tissues. But what if the erectile tissues were made larger? What if you could somehow expand the size of the erectile tissues? Then of course the erectile tissues would hold more blood and you would have a significantly larger penis. Blow up a balloon with more air and you have a larger balloon. Fill the erectile tissues with more blood and you have a larger penis. Without any effort on you part, without any exercising, pumping or stretching, PRO+PLUS PILLS will expand the erectile tissues longer and wider and fill the erectile tissues with a larger supply of blood so that your penis will gain up to 4 inches in what has been described as a miracle. **You can make that miracle happen.** You can have the penis size you always dreamed of with the PRO+PLUS PILL and we GUARANTEE IT!

### IS YOUR PENIS SIZE AVERAGE?

You probably have heard or read somewhere the average penis size is about 6 inches. If your penis is 6 inches and you want to be average then don't read any further. But if your not satisfied with an average or less then average size penis, the PRO+PLUS PILLS will help you grow up to 4 inches and it is perfectly safe and it is your secret because you can take the PRO+PLUS PILLS without anyone knowing that you are taking it.

### HOW LONG WILL IT TAKE TO ENLARGE YOUR PENIS?

In a couple of weeks the most noticeable change will be the width of your penis and longer lasting erections. Then after a month or two you will see a change in the length of your penis and again you will notice a thicker and wider penis. As you stand in front of a mirror you will be amazed even without an erection how your penis wil 'hang' longer and thicker. After the third month when you have an erection you will see a very noticeable change. Not just in size but your penis will look firmer, stronger then you ever dreamed possible. **No pill sold anywhere can give you the maximum potential you want in two months.** Why settle for less when you can have much more. You need **three to four months** to grow to your maximum potential and we offer special prices for a three or four months supply with a **100% MONEY BACK GUARANTEE AND FREE OFFER!**

### WHAT EXACTLY IS THE PRO+PLUS PILLS?

Discovered by Dr. Dmitri Zorken and his research team PRO+PLUS PILLS is a powerful natural herbal penis enlargement formula that increases penis size, stronger erections and maintains your sexual virility. Combining the formulations of the type of herbs found in many parts of the world that can enlarge the penis erectile tissues. We also included some of the same type of herbs found in Polynesia where the men of the Mangaian tribe have sex on the average of 3 times a night, every night. While this is not what you may wish, it is nice to know your sexual performance can improve substantially.

### HOW BIG IS BIG AND HOW MUCH DO YOU NEED TO SATISFY YOUR PARTNER?

Consider the difference between a 7, 8 or 9 inch penis that is thicker and a penis that is 4 to 6 inches and narrower. With a larger penis you penetrate more sensitive areas of the woman. Your longer penis probes deeper searching those special nerve endings. The added width to your penis fills and presses her from side to side to give your partner the most exhilarating sensations. **It is possible for you to reach the most sensitive area of all, a woman's G-spot.** These sensations will produce for a woman the ultimate multiple orgasms. At the same time because you are reaching a woman's most sensitive areas with your larger penis you will receive more pleasure to your sensitive nerve endings. Just knowing you are giving your partner this pleasurable experience will certainly give you the added confidence of being a better lover.

### WHAT WILL THE PRO+PLUS PILLS DO FOR ME?

- A longer, thicker penis. Penis Enlargement up to 4 inches or more
- A longer, thicker penis even when you are not hard. Because there is more blood flow to the penis, your penis 'hangs' larger all day.
- You will have bigger, harder erections. Because of increased blood flow your erections grow harder.
- Erections when you want them. Rock hard erections every time. No more problems because you can't get it up and keep it up. PRO+PLUS PILLS will keep the blood flowing to your penis so you will always get hard and stay hard.
- Stronger and more intense orgasms
- Stop premature ejaculations
- Safely enhance the size of your penis.

### WILL THE PENIS ENLARGEMENT BE PERMANENT?

Yes it is and you control the growth because once you reach your optimum size you could stop taking PRO+PLUS PILLS for Penis Enlargement. We say you could stop taking the PRO+PLUS PILLS because it is not necessary to be larger then 9 or 10 inches. Most women can only comfortably accommodate a 9 or 10 inch penis. Anything larger then that may be too large for most woman. Nine inches or more than 9 inches, the choice is yours.

### DUAL ACTION EXCLUSIVE FEATURES!

***Penis Enlargement and Continued Sexual Health!***

Take PRO+PILLS first for Penis Enlargement to reach your optimum size. After that continue taking only one PRO+PILL daily to improve your sexual health, feel younger, increase sexual desire, gain more stamina and greater sexual pleasure. # OVER-THE-COUNTER ORGASMS

## A Horny Chick Tests Female Sex Enhancers

BY CHRISTINE MARIA MORTON

***With the overwhelming success of Viagra—the little blue pill that helps limp-dicked men grow rock-hard cocks—other companies have jumped on the billion-dollar drug's bandwagon to whip up new products marketed to sexually dysfunctional women. Unlike pharmaceutical giant Pfizer's prescription-only medication, these "female Viagras" are available from the Internet, TV ads and even convenience stores. Enterprising souls are hawking topical pussy creams, love drinks, herbal supplements and even aphrodisiac-laced chocolate, claiming their concoctions improve ladies' love lives.***

***In the name of science, a sex-obsessed reporter uses her pussy as a guinea pig.***

* * *

Even though women can engage in intercourse when they're not aroused, most ladies, myself included, still want more from their sexual experiences. My quest for a higher level of orgasm began while watching a late-night infomercial for Climatique, "a safe and effective climax gel."

Climatique promises to "magnify, intensify and satisfy." An operator instructs viewers to call immediately for a buy-one-get-one-free offer. As a bonus, the gel will arrive in a discreet box, and each bottle comes in a black velvet pouch.

Being shopaholics and suckers for advertising, chicks will consume almost anything, and I'm no exception; I immediately dial the 800 number and agree to buy the $24.95 bottle (plus $6.95 for shipping and handling).

While awaiting my Climatique delivery, I notice that sexual-enhancement products for women have suddenly popped up everywhere. I receive a spam e-mail promoting Niagara, a blue drink designed to make girls horny. I place an order for the $11.95 "romance in a bottle," but I want something now.

Luckily, I find a "sexual vitality" drink where I least expect it: at 7-Eleven. ViSante is enriched with vitamins B6 and B12, high fructose, sodium, damiana tea, yohimbe tea and ginseng tea.

The beverage's horrible, blue-raspberry-syrup flavor is difficult to swallow, but somehow I force it down my throat. The fluid has absolutely no effect on my genitals, only my gut. I attempt to play with myself, but after a few minutes of heavy autopetting and vibrator action, I feel too sick to my stomach to continue.

When my bottle of Niagara arrives in the mail, it's an even bigger disappointment than ViSante; drinking bong water would be a bigger turn-on. I conclude that liquid love potions definitely won't make me soak my panties.

*Maybe the answer lies at the local health-food store*, I think. I go to the nutrition department and buy a product called Horny Goat Weed, along with some capsules named after the legendary Spanish fly.

For maximum results from Horny Goat Weed, the instructions advise taking three or four of the horse pills 90 minutes before "activity." I slam a handful down my hatch, anticipating that, in an hour and a half, my honeypot will feel ready for a good go with my boyfriend. Two hours later, I feel nothing.

Frustrated, I pop a couple Spanish fly tablets. I begin to feel as if I drank amphetamine-spiked coffee. I soon have a pounding headache. Believing I might die of a Spanish fly overdose, I scan the package's list of ingredients. The pills each contain 22mg of something called "Whorehouse Tea." I do a little research on the mystery slut elixir—supposedly an aphrodisiac popular in 19th Century brothels. The tea's active ingredients are ephedrine alkaloids; basically, a legal form of speed.

By the time my boyfriend comes home, I am amped up and jumpy. I throw him onto the bed and ride him for hours like a crazed speed freak. The sex is good, but my orgasms weren't more easily achieved or more pleasurable.

Desperate, I ask my gynecologist if she knows of anything that will enhance my sex life. The doctor gives me a sample of Viacreme, a lotion that is supposed to increase blood flow and dilation of the blood vessels in the clitoral area.

My research partner glances at the cream's cheap package lying on the floor and reads Viacreme's nifty slogan: "Where women are cherished, and men are championed." He smiles and strokes his engorged man meat. I undress, squirt a dollop of the lotion onto my finger and massage the creamy liquid into the underside of my clit hood.

Watching me fiddle with my sex button prompts my boyfriend to shove his face between my thighs. He takes one lick of my pussy and gags as if I were suffering from crotch rot. "What the fuck is that taste?" he screams. "That's disgusting." He

**"My love bud feels cool, with a numbing sensation similar to novocaine."**

gargles mouthwash to rid himself of the sick flavor, but figuring that his dick doesn't have any taste buds, he sticks his cock inside my hungry gash. My vagina feels minty fresh, with an unusual tingling and cooling sensation, and I have no trouble reaching orgasm. Viacreme didn't improve the sex, but I would use the gel again due to the unique feeling it produces.

After my Climatique package finally arrives, I decide to masturbate in order to check out the lotion's benefits. I generously apply the clear substance to my clitoris and become aroused. My love bud feels cool, with a numbing sensation similar to novocaine. Like Viacreme, Climatique makes me feel as if I have an air conditioner on my wet coochie. I rigorously rub my clit in circles and—*Bam!*—I come. I have difficulty determining whether Climatique enhanced my sexual response, or if I got my rocks off from just jilling off. In the future, I could save some cash and just apply Dr. Bronner's Peppermint Soap to my clit for pretty much the same effect.

I find two other products, Vigel and Vitara, both of which promise to help me achieve an uncontrollable orgasm by increasing blood flow to my clit. Vigel warns its consumers not to use the ointment if they suffer from "brain herpes." Since I'm pretty sure that my gray matter is herpes-free, I soak my fingers with a huge gob of the pussy cream and spread it thick on my vagina, like lube. I rub my gel-soaked fingertips on my nipples to see what happens. My tits feel as if someone is simultaneously sucking and icing them. Meanwhile, my throbbing crotch feels like I slipped a candy cane out of my mouth and straight into my pussy, slowly letting it dissolve. My man shoves his cock up my winter-fresh cunt. Having an ice-cold and tingly twat feels neat, but doesn't quite blow my mind.

Later that evening, my boyfriend wants to fuck again. I reach for the Vitara, squeeze the cream onto my right index finger and generously apply the product all over my shaved pussy, wiping the excess onto my belly. My clit immediately shivers with a chilled sensation.

My boyfriend presses his warm phallus against my freezing pussy and slips it in. Suddenly, a nauseating scent fills the room, and my finger is burning. I insist on stopping the fuckfest to check on my irritated digit and to locate the source of the repulsive, rancid, mothball-like odor that has taken over my bedroom.

I sit up to inspect my finger and notice that it is red and swollen, but only where it came in contact with the Vitara. A vibrant red rash has also spread across my stomach, exactly where I wiped the sex cream. I take a whiff of my finger, and, sure enough, this terrible clit poison is the cause of the horrific smell.

I hold back my vomit as I rush to the bathroom to cleanse my finger, belly and pussy of the chemicals. I'm amazed that my vagina didn't have an allergic reaction to this shit, since pussy tissue is usually more sensitive than nongenital skin.

After the drama of burning flesh and disgusting-smelling fumes subsides, I research Vitara and find some terrifying answers. The gel's literature concedes that the cream's taste resembles that of "a very strong vitamin." Vitara claims to be nontoxic, yet the company admits that its product can cause a crimson flush due to the temporary dilation of the blood vessels. They assure the user that the discoloration is only temporary.

I decide to check out the ingredients of the other products that I have been rubbing all over my sensitive clit. I learn that the majority of these chick products are composed of similar, if not the same, substances. The most common pussy-cream recipe is menthol, for cooling, L-Arginine, which produces nitric oxide to reportedly improve clitoral stimulation, and multiple, scary-sounding chemicals such as polyquaternium, hydroxyethylcellulose and methylparaben that do God knows what.

Vitara has one ingredient not found in any of its competitors' products: wild yam extract. This harmless-sounding component must be the cause of the skin irritation and the stench.

After my extensive hands-on research, I wouldn't really recommend any of these products, except for Vitara, which I would suggest to my worst enemy.

*"This is my first trip to Europe. I've never fucked a foreign chick!"*

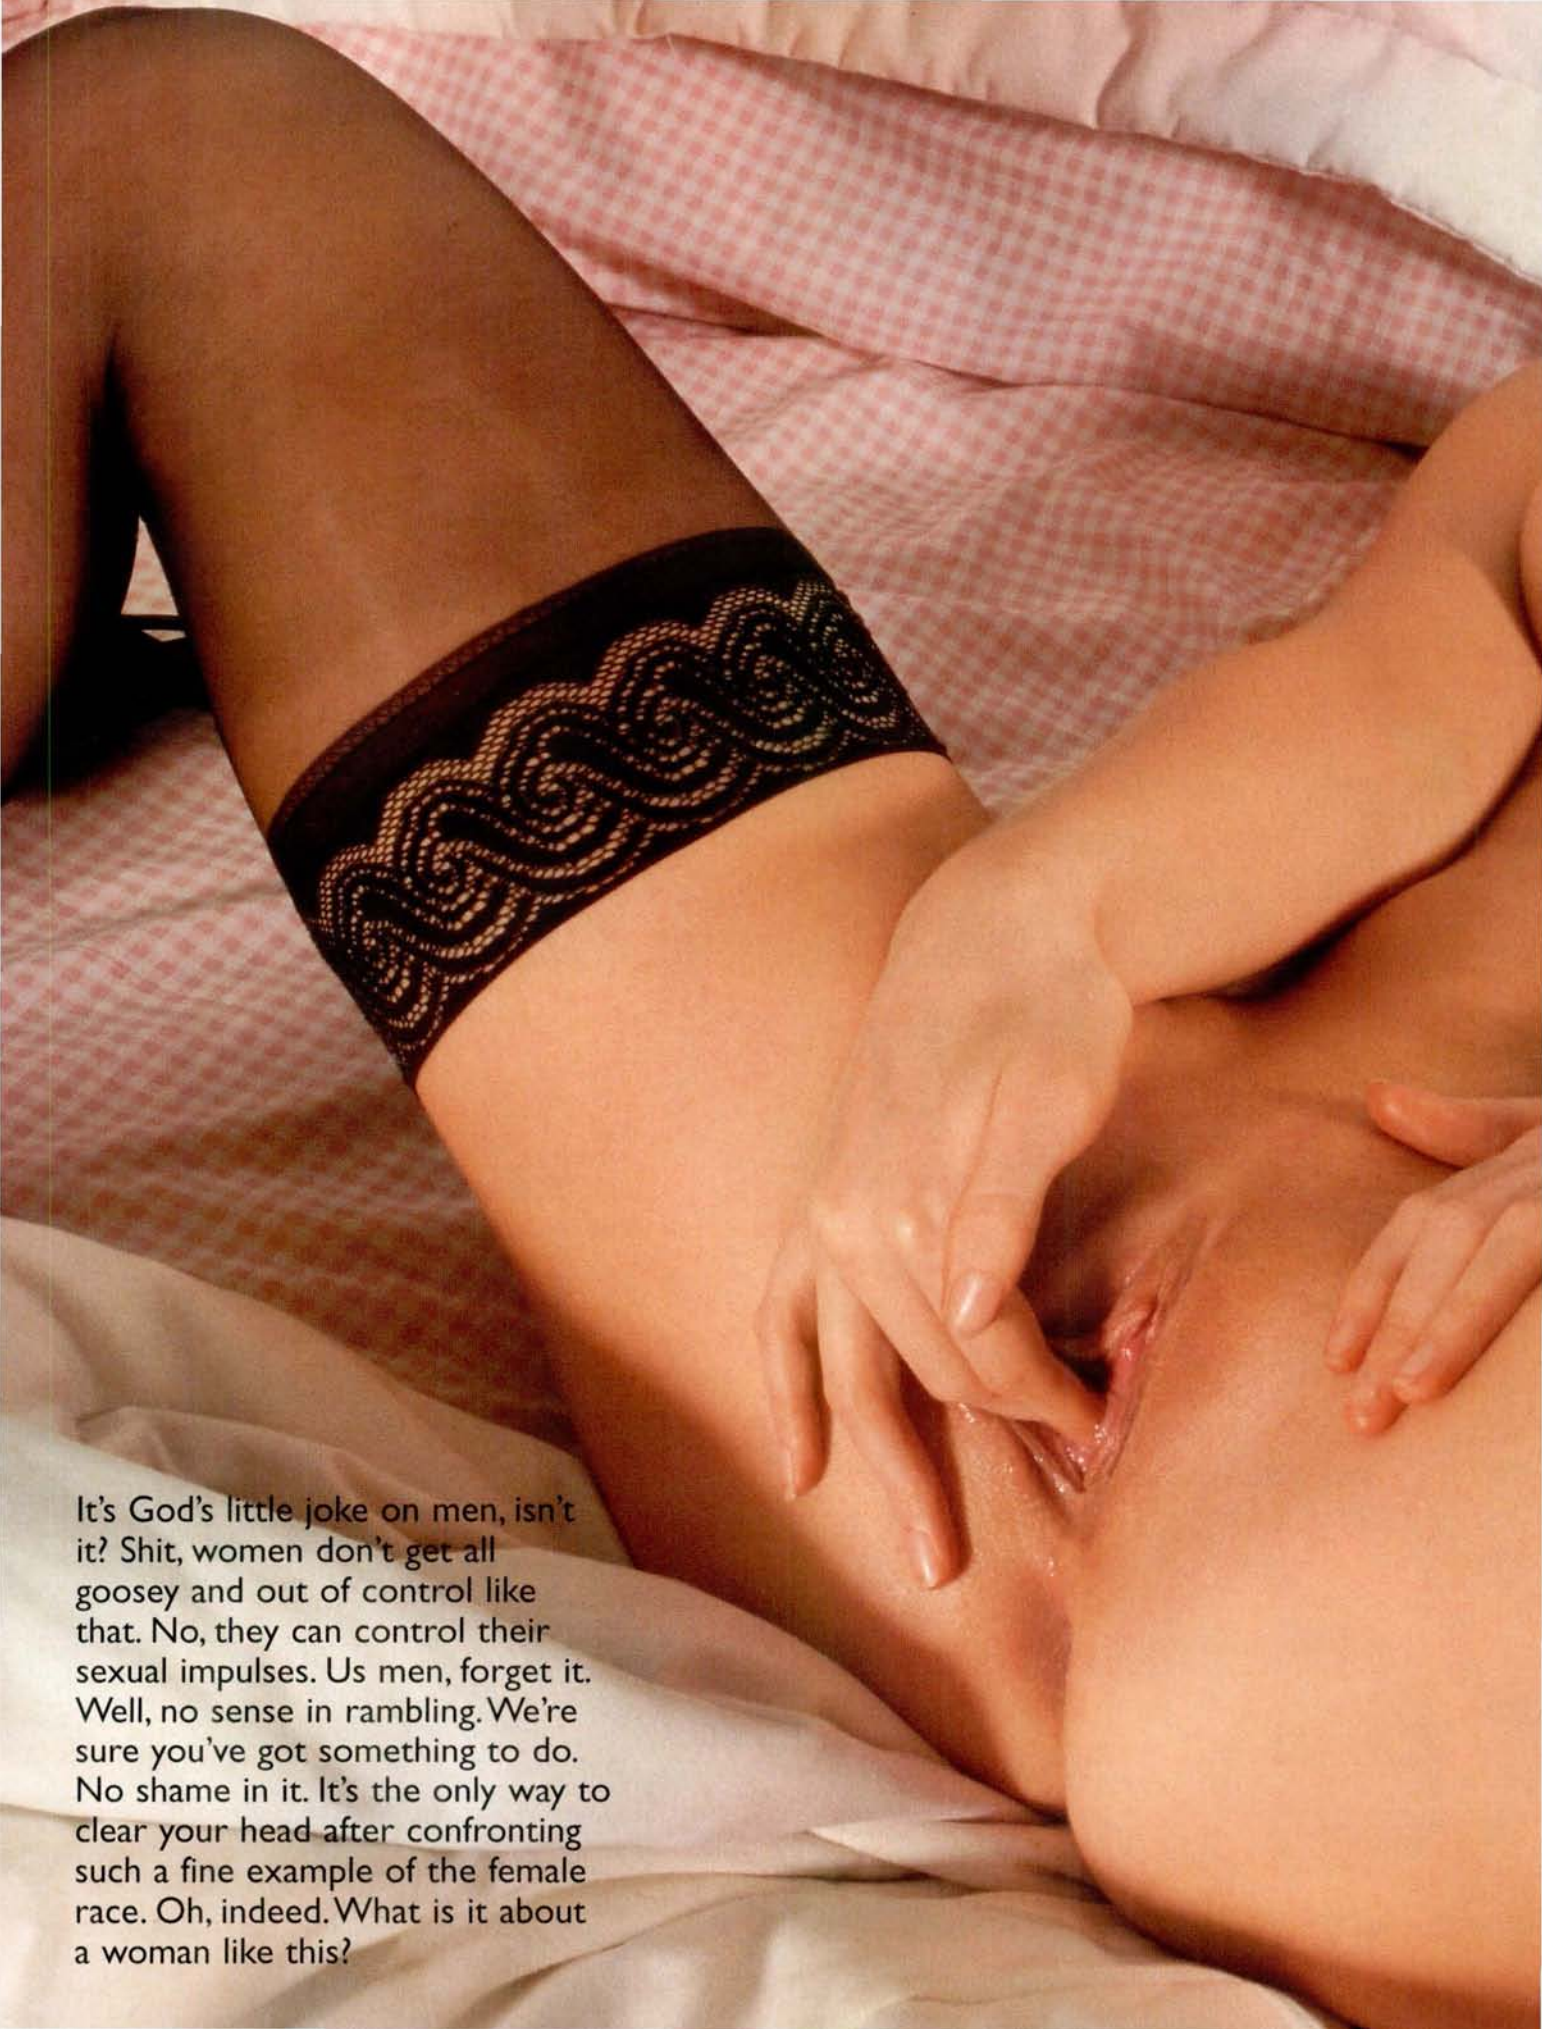
## Loni

PHOTOGRAPHY BY **JOANIE ALLUM**

What is it about a girl like this? You look at her and your brain turns to mush. The boner pushes against your pants trying to escape while you think about thrusting your face between her sweet tits—for God's sake, just look at those tits—or smelling her scent as you lap her pussy juices like a starving dog at his favorite dish.



It's God's little joke on men, isn't it? Shit, women don't get all goosey and out of control like that. No, they can control their sexual impulses. Us men, forget it. Well, no sense in rambling. We're sure you've got something to do. No shame in it. It's the only way to clear your head after confronting such a fine example of the female race. Oh, indeed. What is it about a woman like this?

# COMING NEXT MONTH IN HUSTLER

## JENNA JOINS HUSTLER

Slip into spring with a mouthwatering pictorial of the hottest star in the adult industry, Jenna Jameson. With April's special layout, Jenna begins her exclusive relationship with America's Magazine. Look for more of Jenna in future HUSTLER issues, because you won't find her new spreads in any other adult publication.

## MICHAEL MOORE

With the film *Bowling for Columbine*, professional gadfly Michael Moore continues his campaign against the stupidity and hypocrisy that flood America. The April HUSTLER includes a special profile of Moore and his many battles, from skewering the automotive industry's corporate cronies in the documentary *Roger & Me* to grilling politicos in his best-selling book *Stupid White Men*. Find out how Moore got his start as a rabble-rouser and what he's planning to do next in a HUSTLER feature that's not afraid to tell it like it is.

## BALL IN THE FAMILY

Even in the jizz biz, certain taboos still stand, but a new crop of performers is threatening to test the limits of what the most jaded perverts can stand. In a relatively disturbing HUSTLER exposé, reporter A. J. Ferguson examines the phenomenon of mother/daughter porn teams and other extreme acts, including a "granny" performer whose blue-screen work prompted her swordsman son to leave the adult industry. Don't miss the hard-core family dramas that play out in the April HUSTLER.

## ENVIRONMENTAL PUSSY WAGONS

With General Motors's AUTOnomy, the automotive industry has finally produced a nonpolluting, fuel-cell-based car that provides a sleek, sexy ride with top-notch performance. Unlike the current environmentally friendly geek mobiles, the AUTOnomy's groundbreaking design and high-tech features will make both car enthusiasts and impressionable young females drool. HUSTLER correspondent Harry Walsh brings you up to speed on the technological marvel that could ease America's dependence on foreign oil and snag you some hot pussy along the way.

## SPRING CREAMING

In *Dear Slut*, Jeanna Fine answers readers' carnal queries. *Bits & Pieces* brings you up to date on the war on Iraq's corporate sponsors. *Erotic Entertainment* reviews a dozen new XXX flicks, and the girls of spring shed their winter coats in *Beaver Hunt*. The April HUSTLER brings you liberty, pink and the hard fucking truth.
